AFFIDAVIT

State of Oregon  
County of Tillamook

I, Harold Williams, of Bay City, Oregon,

being first duly sworn, do depose and say as follows:

I am fifty-seven years old and have been a timber cruiser for the last 35 years. I saw the one quarter corner for the east boundary of section 27, T.2S. R.9W.W.M., in 1926 while working for the Whitney Co. Ltd. I saw scribes on a hemlock uproot that beared to the north west of the corner point. I have visited the corner six times since and the scribes were rotted off of the hemlock uproot. The bearing tree was close to a blazed north and south line which is still visible, and was also situated on a small spur ridge which is in place. I pointed out the above bearing tree to Richard Morris who set a 1 1/2" x 36" galvanized iron pipe with a 3" bronze cap, furnished by the Oregon State Board of Forestry, S30E 19.1 feet from the above pointed out hemlock uproot.
