1981

I found a 3/4" iron rod with a 3" Tillamook County Surveyors Brass Cap 1" below the surface of the pavement. (See T.C.S. Rewitness #91). I drove the found monument down to 5" below the surface and set an 8" cast iron monument case around the found monument and encased in concrete.

History of found monument

I found this monument to be as described in said T.C.S. Rewitness and the references found and/or set at that time to now be as follows:

NE corner of garage N.29 W. 37.88'; (Found, now 37.76').

NE corner of house S.67 W. 22.28'; (Found, now 22.18').

SE corner of house N.10 W. 54.69; (Found, okay).

*indicates Tillamook County Surveyors yellow metal location poster attached.

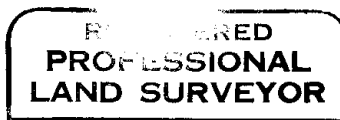

Location of Monument

This Initial Point is located approximately 3' East of the apparent centerline of North Miller Avenue which has been recently repaved.
