1967 287

I found a 1" iron pipe with a 2 1/2" brass cap,
(see T.C.S. Map #A-1451). I encased the found iron
pipe and brass cap in a 10" concrete cylinder.

History of found monument

I found this monument to be as described on T.C.S. Map #A-1451 and the references found and/or set at that time to now be as follows:

*58" spruce S.48 E. 62.55'; (Found, now 58" spruce with a rotten face at record bearing and distance).

*48" spruce S.55 E. 50.80'; (Found, now 52" spruce with a healed face at record bearing and distance).

*Found nearly rotted off 4"X 4"X 48" White Cedar Post 1.1' South.

I also found the remains of the 60" spruce bearing tree, found by Map A-1451 and used to position this corner, at the SSN 1/256 corner 333.61' North of this corner. Now a stump with the face sawed open and scribe marks visible.

New Accessory

*9" hemlock S.30 W. 32.10', scribed "1/4S8BTCS".

*8" spruce N.81 E. 7.81', scribed "1/4S9BTCS".

*72" light hat section post North 1.5'.

*indicates Tillamook County Surveyors yellow metal location poster attached.
