18. Service Name: **CRISIS AND TRANSITION SERVICES (CATS)**

Service ID Code: **MHS 08**

**a. Service Description**

Crisis and Transition Services (CATS) serves youth and their families during transitions from emergency departments to community-based treatment and support services. Developed to help address psychiatric boarding in the emergency department, CATS is an alternative for youth who may be meeting criteria for inpatient psychiatric admission but have the potential to safely return home if Crisis and Transition services were in place. Emergency departments may be a family's first point-of-contact into the mental health system and the month immediately following discharge is a high-risk period for a youth to return to an emergency department in mental health crisis. The CATS program serves as a bridge during this critical period for approximately 45 calendar days or until the youth and family are effectively connected to longer-term supports. The CATS program provides rapid access to interim mental health therapy, psychiatry, care coordination, and family peer support and 24/7 crisis response to the home.

The CATS program seeks to stabilize the immediate crisis and focuses on a youth's long-term recovery and connections to other services and supports. The CATS multidisciplinary team works with a youth and family to develop a plan of care that identifies and addresses underlying difficulties that contributed to the crisis; evaluates safety and addresses risks in the home; reinforces coping and de-escalation skills; and facilitates a warm hand-off to other supports and services in the community.

County shall require that CATS providers:

- (1) Approach services from a family-driven and youth-guided approach that reduces or eliminates barriers for the youth and family to participate in care;
- (2) Provide linguistically and culturally appropriate materials for the youth and their family, necessary for them to understand and to participate fully in the CATS program; and
- (3) Require equitable access to the program, particularly for youth and families who may have faced historical discrimination and inequities in health care based on race or ethnicity, physical or cognitive ability, sexual orientation, gender identity, socioeconomic status, insurance status, citizenship status, or religion.

24. **Service Name:** **Non-OHP Community and Residential Assistance**

Service ID Code: **MHS 17**

a. **Service Description**

Providers need flexibility when submitting invoices for services provided under a variety of different service elements.

OHA has consolidated the invoiceable services, paid from Part C funds, from multiple service elements into MHS 17. This flexibility allows us to use funding provided by MHS 17 and reduce the number of agreement amendments issued to transfer funds from one service element to another. The MHS 17 funding is allocated as a single pool that is used to pay for the invoiceable services described in the Service Elements listed below.

These Service Elements and the invoiceable service components for each are referenced by title and exist in detail in ‘Exhibit B-1, Service Descriptions’:

- (1) **MHS 26** – NON-RESIDENTIAL MENTAL HEALTH SERVICES FOR YOUTH & YOUNG ADULTS IN TRANSITION
- (2) **MHS 27** – RESIDENTIAL MENTAL HEALTH TREATMENT SERVICES FOR YOUTH & YOUNG ADULTS IN TRANSITION
- (3) **MHS 28** – RESIDENTIAL TREATMENT SERVICES
- (4) **MHS 30** – MONITORING, SECURITY, AND SUPERVISION SERVICES FOR INDIVIDUALS UNDER THE JURISDICTION OF THE ADULT AND JUVENILE PANELS OF THE PSYCHIATRIC SECURITY REVIEW BOARD
- (5) **MHS 34** – ADULT FOSTER CARE SERVICES
- (6) **MHS 36** – PRE-ADMISSION SCREENING AND RESIDENT REVIEW SERVICES (PASRR)
- (7) Within the above Service Elements, any **Specialized Requests** for management of physical or health problems, including, but not limited to, seizures, incontinency, diabetes, and pain management require a Prior Authorization from OHA, using the Intensive Services Request Form located at <https://www.oregon.gov/OHA/HSD/OHP/Pages/MH-Rates.aspx>.

b. **Authorization, Monitoring, and Review**

- (1) For Services to non-Medicaid-eligible Individuals indicated in Exhibit B-1, County shall attach a copy of the bill or receipt, for the item or Service, to a combined monthly invoice, itemized by Individual. Part C funding for Psychiatric Security Review Board (PSRB) non-medically approved Services are only for the period shown and do not carry forward into following years’ allotments.
- (2) Funding for Specialized Requests, (1) (g) above, will follow a process to assure **necessity of services** required by an Individual in exceptional need, that would not fit within the Intensive Services Requests of the Rate Review Committee (RRC), with the following structure:
  - (a) A proposal is then reviewed by a minimum of two clinicians to assure initial **necessity of services** considering the current

circumstances, history of interventions, limits of current resources and potential plans for stabilization.

- (b) If there is sufficient initial necessity, then the proposal will be reviewed by the RRC to determine a recommendation of approval or denial.
- (c) If approved, the Specialized Request will follow the same process indicated in (2)(a), “Authorization, Monitoring and Review.”
- (3) If denied, the Requestor will be notified in writing with rationale determined by the RRC.

c. **Performance Requirements**

Providers submitting invoices for payment under any of the Service Elements identified in Section (1) above must meet the conditions shown in the specific Service Element in Exhibit B-1 to receive prompt and complete payment of invoices.

**33. Service Name: ADULT FOSTER CARE SERVICE**Service ID Code: **MHS 34****a. Service Description**

Adult Foster Care Services (MHS 34) are Services delivered to Individuals with chronic or severe mental illness who are in need of further stabilization in a licensed care setting for the potential of transitioning to an *integrated setting*. These Individuals have been hospitalized or are at immediate risk of hospitalization, are in need of continuing Services to avoid hospitalization, or pose a danger to the health and safety of themselves or others, and are unable to live by themselves without supervision. MHS 34 Services are delivered in a family home or facility with five or fewer Individuals receiving MHS 34 Services. The purpose of MHS 34 Services is to maintain the Individual at his or her maximum level of functioning or to improve the Individual's skills to the extent that he or she may live more independently.

*Integrated setting* was recently explained in a publication by the Department of Justice<sup>2</sup>, dated June 22, 2011, as follows:

“In the years since the Supreme Court’s decision in *Olmstead v. L.C.*, 527 U.S. 581 (1999), the goal of the integration mandate in title II of the Americans with Disabilities Act [is] to provide individuals with disabilities opportunities to live their lives like individuals without disabilities.”

“By contrast, segregated settings often have qualities of an institutional nature. Segregated settings include, but are not limited to: (1) congregate settings populated exclusively or primarily with individuals with disabilities; (2) congregate settings characterized by regimentation in daily activities, lack of privacy or autonomy, policies limiting visitors, or limits on individuals’ ability to engage freely in community activities and to manage their own activities of daily living; or (3) settings that provide for daytime activities primarily with other individuals with disabilities.”

The expectation for individuals living in Adult Foster Care Services is to stabilize and transition to a non-licensed, integrated setting. Perpetual living at this level of care is not warranted and can only continue with the ongoing approval by OHA’s Independent Qualified Agent (IQA) in determining this specific Level of Care (LOC).

All stays in Adult Foster Care Services shall include activities to integrate the individual into the community based on individual goals and desires, and should not be limited to foster home group activities.

**2022 INTERGOVERNMENTAL AGREEMENT  
FOR THE FINANCING OF COMMUNITY MENTAL HEALTH, ADDICTION TREATMENT,  
RECOVERY, & PREVENTION, AND PROBLEM GAMBLING SERVICES**

**EXHIBIT B-2  
SPECIALIZED SERVICE REQUIREMENTS**

Not all Services described in Exhibit B-2 may be covered in whole or in part with financial assistance pursuant to Exhibit C, “Financial Assistance Award,” of this Agreement. Only Services in which costs are covered in whole or in part with financial assistance pursuant to Exhibit C, “Financial Assistance Award,” as amended from time to time, are subject to this Agreement.

1. Service Name: **NON-RESIDENTIAL MENTAL HEALTH SERVICES FOR YOUTH & YOUNG ADULTS IN TRANSITION**

Service ID Code: **MHS 26**

Specialized Service: **EARLY ASSESSMENT AND SUPPORT ALLIANCE (EASA)**

Exhibit B-2 Code: **26A**

a. **Service Description** (exceeding Section 1, MHS 26)

Early Assessment and Support Alliance (EASA) is a transitional, coordinated specialty care program, serving young Individuals experiencing symptoms consistent with a diagnosable psychotic disorder or at clinical high risk for such, for approximately 2 years.

Services are described in the EASA Practice Guideline (Melton, R.P., Penkin, A., Hayden-Lewis, K., Blea, P., Sisko, R., & Sale, T. (2013), incorporated by reference herein.

(1) **Definitions:**

- (a) **Multi-Family Groups** means multi-family groups are a preferred method of treatment for most Individuals and their families/support system (McFarlane, 2002). Where Multi-Family Groups are not available, single family groups can be offered following the same format. Fidelity to Multi-Family Groups standards in each of the key stages is critical: joining sessions, family workshops, and carefully structured initial and ongoing problem solving sessions.
- (b) **Participatory Decision Making** means Individuals and family/primary support system involved in service planning, delivery, monitoring, and evaluation seem to facilitate the development of ongoing services that are accessible and culturally appropriate for them and may result in more responsive treatment providers, better quality of care, and more empowered Individuals and primary family/primary support system (McGorry et al., 2010).
- (c) **Psycho-education** means aiming to develop a shared and increased understanding of the illness and recovery process for both the Individual and the family/support system. Specific attention is given to cultural values and norms of an audience and broad accessibility to this information is essential (EASA Fidelity Guidelines, 2013).
- (d) **Psychosis-Risk Syndrome** means Schizophrenia-related conditions frequently have a gradual onset. Neurocognitive, sensory, perceptual, and affective changes, usually accompanied by a decline in functioning, characterize the at-risk mental state. Identifying, monitoring, and providing needs-based care during a potential psychosis-risk mental state is optimal. The evidence regarding the effectiveness of specific interventions (therapy, medications, etc.) remains preliminary. It is measured by the Structured Interview for Psychosis-Risk syndrome (SIPS), performed by a skilled diagnostician certified in the tool (McGlashan, Walsh, & Woods, 2010), incorporated by reference herein.
- (e) **Community Education** means a core element of early intervention services is a proactive and ongoing campaign to increase early identification and the speed and number of early referrals and reduce attitudinal barriers about

schizophrenia-related conditions. This reduces the duration of untreated psychosis. Specific attention is given to cultural values and norms of an audience and broad accessibility to this information is essential (EASA Fidelity Guidelines, 2013).

(2) **Performance Requirements** (exceeding Section 2, MHS 26)

County shall provide Services to eligible Individuals as listed below, subject to the availability of funds:

- (a) **Eligible Population**: EASA Services are to be provided to Individuals ages 12 through 27 years of age whom:
  - i. Have not had a diagnosable psychotic disorder other than psychosis-risk syndrome, identified by the Structured Interview for Psychosis Risk Syndrome (SIPS) or other C4E approved formal assessment, for a period longer than 12 months; and
  - ii. Have psychotic symptoms not known to be caused by the temporary effects of substance intoxication, major depression, or attributable to a known medical condition.
- (b) Access to EASA across all referral sources: emergency departments, hospitals, community partners, schools, and families, regardless of ability to pay. Upon referral, contact shall be made by EASA staff with the Individual (and family) within 24-48 hours in a location that best suits the Individual. Individuals are enrolled in EASA once they are determined to have met the eligibility criteria and agree they are comfortable with the program;
- (c) Services intended to be a transitional coordinated specialty care service, designed to last an average of 2 years. An Individual's Services can be flexible with the timing of the transition, based on the needs of the Individual, their family, and the Individual's progress and goals;
- (d) Services rendered based on the needs of the Individual and their family as frequently as needed to optimize the EASA program's support and impact. EASA teams should provide access to crisis services for the EASA Individual, family, and primary supports.
- (e) Provide Services as described in the EASA Practice Guidelines (Melton, R.P., Penkin, A., Hayden-Lewis, K., Blea, P., Sisko, R., & Sale, T. (2013).
- (f) Provide technologically-based support to EASA participants that include, but are not limited to, text messaging, email, and telemedicine in order to communicate and facilitate Services.
- (g) The EASA team works with people in five phases: Assessment and stabilization, adaptation, consolidation, transition, and post-graduation.
  - i. Phase 1 (up to 6 months): Assessment and stabilization: Outreach, engagement, assessment, initiation of medical treatment (including psychosis and alcohol/drug dependency), identification of strengths, resources, needs, and goals, start of multi-family groups, stabilization of current situation.
  - ii. Phase 2 (approximately 6 months): Adaptation: More extensive education to the individual and family/primary support system, address adaptation

- issues, refine/test the relapse plan, move forward on living and/or vocational goals, identify accommodations as needed at work or school, identify and develop stable long-term economic and social support, provide opportunities for peer involvement, physical fitness, etc.
- iii.** Phase 3 (approximately 6 months): Consolidation: Continue multi-family group, vocation support and individual treatment, work toward personal goals, develop a relapse prevention and long-term plan.
  - iv.** Phase 4 (approximately 6 months): Transition: Maintain contact with EASA Team, continue multi-family group, participate in individual and group opportunities, establish ongoing treatment relationship and recovery plan.
  - v.** Phase 5: Post-graduation: Continue multi-family group (in some situations), continue with ongoing providers, invitation to participate in events and mentoring, EASA planning/development activities, and periodic check-ins and problem solving as needed.
- (h)** Within and in addition to the phases described above, the following elements are part of the successful delivery of the EASA model and implementation of the EASA program:
- i.** Rapid access to psychiatric and counseling services;
  - ii.** Education about causes, treatment, and management of psychosis and explanations about potential causes for the onset of symptoms;
  - iii.** Coaching on rights regarding access to employment, school, housing, and additional resources;
  - iv.** Single family psycho-education and multi-family groups;
  - v.** Support for vocational education and independent living goals consistent with IPS framework;

  - vii.** Provision of substance use disorder treatment within the team
  - viii.** Peer support (peers having lived experience with psychosis preferred regardless of age), participatory decision-making, and meaningful young adult engagement in program, community, and leadership activities as an EASA program component, and;
  - ix.** Community-education.
- (i)** Setting(s) for Service Delivery: Determined by the needs and goals of the Individual and their circumstances.
- (j)** Recommended Staff and Staff Training: EASA team members include licensed medical providers (LMP's), nurses, staff trained in case management and care coordination, staff qualified to provide occupational therapy and associated skill training, mental health therapists, mental health screeners, peer support specialists, supported education and employment specialists.

(k) EASA services and supports must be provided by staff that enable the team/provider to meet or pursue fidelity standards located at <http://www.easacommunity.org>. If County lacks qualified providers to deliver EASA services and supports, a plan to adjust the model will be developed with the EASA Center for Excellence staff and OHA.

(l) **(Additional Licensing or Certification Requirements:**

The assessment for EASA Services and supports must be provided by Providers that meet fidelity standards, located at <http://www.easacommunity.org/PDF/Practice%20Guidelines%202013.pdf>. If County lacks qualified Providers to deliver EASA Services and supports, County shall implement a plan, in consultation with OHA, to develop a qualified Provider network for Individuals to access EASA Services.

CONTRACTOR: TILLAMOOK COUNTY  
DATE: 11/16/2021

Contract#: 173148

REASON FOR FAAA (for information only):

Payments provided through this Financial Assistance Agreement (FAA) are subject to the 2021-2023 Legislative Approved Budget (LAB) for Oregon Health Authority, as allocated for the 2022 calendar year, at the level proposed for the 2021 calendar year or higher (continuing service level or "CSL"). This FAA may require modification by written amendment to reflect actual changes in funding amounts, or by administrative amendment (memo) provided that such administrative amendment is only used to change fund source coding and not the amount of funding.

The following special condition(s) apply to funds as indicated by the special condition number in column 9. Each special condition set forth below may be qualified by a full description in the Financial Assistance Award.

The fund numbers with source descriptions identifying General Funds or Other Funds as the funding source may actually be paid under a different fund number and source based upon actual funds available at the time of payment. Changes to the Financial Assistance Award to move amounts from one fund source to another fund source but otherwise budget neutral will be processed as an Administrative Adjustment rather than issuing an Amendment to the Financial Assistance Award. The notice of Administrative Adjustment will be sent to the County via email to the contact person listed in Exhibit G, “Standard Terms and Conditions,” Section 18.,

“Notice.” County shall have 30 calendar days to request OHA replace the Administrative Adjustment notice with an Amendment to the Financial Assistance Award. If the County does not make such a request, the Financial Assistance Award shall be deemed amended as noted in the Administrative Adjustment and agreed to by both parties.

- (3) **Column 3, Proj Code:** This item is for OHA’s internal use only.
- (4) **Column 4, CPMS:** This item is for OHA’s internal use only.
- (5) **Column 5, Provider:** This is either the Provider’s name or a description for a specific Service as set forth on that particular line of the Financial Assistance Award.
- (6) **Column 6, Effective Dates:** This specifies the time period during which the Service or Service capacity, as applicable, is expected to be delivered utilizing the approved Service funds as set forth on that particular line of the Financial Assistance Award. For purposes of disbursement method “A” (as described in Section (11), “Column 11, Part ABC,” below), these dates also specify the time period during which the approved Service funds will be disbursed to County.
- (7) **Column 7, Slot Change/Type:** This is either the number of slots or number of days of Service or Service capacity, as applicable, OHA anticipates County to deliver during the period specified and utilizing the approved Service funds set forth on that particular line of the Financial Assistance Award. The Service or Service capacity, as applicable, must be delivered in the amounts and over the course of the time period specified on that line of the Financial Assistance Award. This column will be blank, followed by “NA” if the basis of payment set forth in the applicable Service Description is not tied to actual delivery of Services or Service capacity. The Slot Change/Type is the unit of measurement associated with the Effective Dates set forth in column 6. The Slot Change/Type is expressed in three-character designations and have the following meanings:
  - (a) **CSD:** One CSD (or Client Service Day) is one day of Service or Service capacity, as applicable, delivered to one Individual or made available for delivery to one Individual, as applicable.
  - (b) **N/A:** N/A means Slot Change/type is not applicable to the particular line.
  - (c) **SLT:** One SLT (or Slot) is the delivery or capacity to deliver, as applicable, the Service to an Individual during the entire period specified in the corresponding line of the Financial Assistance Award.
- (8) **Column 8, Rate:** This is the cost per day, per month, or per Slot Change/Type measurement for the Service or Service capacity, as applicable, to be delivered utilizing the approved Service funds as set forth on that line of the Financial Assistance Award.
- (9) **Column 9, Operating Dollars:** This is the total amount of funds awarded under this Agreement, as amended from time to time, for delivery of the Service and is OHA’s maximum, not-to-exceed obligation during the time period specified on that particular line, in support of the Services described on that particular line, of the Financial Assistance Award.
- (10) **Column 10, Startup Dollars:** This is the total amount of funds awarded under this Agreement, as amended from time to time, to be used only for one-time expenses

incurred in initiating, expanding, or upgrading the specified Service, or for other special one-time expenses related to the Service. Startup funds may only be spent for the purposes specified in the Special Condition(s) as listed in Column 16, "SP#." Startup funds are to be expended only in accordance with Exhibit K of this Agreement and with startup procedures within the applicable Service Elements.

- (11) **Column 11, Part ABC:** This column indicates the method by which OHA disburses the funds awarded under the Agreement, as amended from time to time. The disbursement method listed in this column, as indicated by the letter A, B, or C, will usually be consistent with the disbursement method set forth in the Service Description for the particular Service Element. The characters A, B and C indicate the following disbursement methods:
- (a) The letter 'A' indicates OHA will disburse the awarded funds to County in substantially equal monthly allotments during the period set forth in Column 6, "Effective Dates."
  - (b) The letter 'B' indicates OHA will disburse awarded funds under another agreement and are set forth in this Agreement for tracking purposes only.
  - (c) The letter 'C' indicates OHA will disburse the awarded funds in the manner specified in Column 16, "SP#."

If the disbursement method listed in this column is different than the method set forth in the Service Description, the disbursement method listed in this column shall control. This column only indicates the disbursement method to be used should County be entitled to receive funds awarded, which shall be determined in accordance with the basis of payment as set forth in the applicable Service Element. Any disbursements made to County in excess of the funds County is entitled to, as determined in accordance with the applicable basis of payment and through the Agreement Settlement process, will be recovered by OHA in accordance with the terms of this Agreement.

- (12) **Column 12, Part IV:** This is the Specialized Service Requirement Code, if applicable, and corresponds with the Specialized Service Requirement described in Exhibit B-2. If a code appears in this column, the Service must be delivered in accordance with the Specialized Service Requirement when the Service is delivered using approved Service funds, as set forth on that line of the Financial Assistance Award.
- (13) **Column 13, PAAF CD:** This column is the Plan/Amendment Approval Form (PAAF) code, which is the lookup field to title the various sections of the PAAF based on this PAAF code.
- (14) **Column 14, Base:** This is the code used to indicate how the Services being provided, as set forth on that line of the Financial Assistance Award, are to be handled at the end of the respective biennium, as follows:
- (a) The letter "Y" in this field indicates the Services subject to and modified by this Agreement, hereafter referred to as MOD, as set forth on that line of the Financial Assistance Award may continue into the next biennium. This will be contingent on the Services still being required, at that time and at that level, and upon OHA's funding being continued at the present funding level or higher, through the Legislatively Adopted Budget for that specific biennium.

- (b) The letter “N” in this field indicates the Services being modified in this MOD, as set forth on that line of the Financial Assistance Award, are not continuing into the next biennium.
- (c) The letter “M” in this field indicates the Services being modified in this MOD, as set forth on that line of the Financial Assistance Award, are “maybe” going to continue into the next biennium. This will be determined at the time OHA is preparing the next biennium’s Agreements. This code is typically used for Services paid by Federal Grants.

- (15) **Column 15, Client Code:** This column is used when Service funds, as set forth on that line of the Financial Assistance Award, are for a specific client. The coded client name indicates the approved Service funds may only be expended on the delivery of the specified Service to the specified Individual. If this column is blank, Service funds are not intended for any particular Individual.
- (16) **Column 16, SP#:** This column is for Special Conditions, if any, that must be complied with when providing the Service using approved service funds set forth on that line of the Financial Assistance Award. For certain Services, the Special Conditions specify the rate at which financial assistance will be calculated for delivery of that Service or delivery of capacity for that Service. The Special Conditions are identified by a numeric code. A table or tables listing the Special Conditions by numeric code is included in the Financial Assistance Award.

2. **Format and Abbreviations in Financial Assistance Award Amendments.** The format and abbreviations in a Financial Assistance Award amendment are the same as those used in the initial Financial Assistance Award. If a Financial Assistance Award amendment amends the financial and service information in the Financial Assistance Award, the financial and service information line in the amendment will either amend an existing line in the financial and service information of the Financial Assistance Award or constitute a new line added to the financial and service information of the Financial Assistance Award. A financial and service information line in a Financial Assistance Award amendment (an “Amending Line”) amends an existing line of the Financial Assistance Award (a “Corresponding Line”) if the line in the Financial Assistance Award amendment awards funds for the same Service, specifies the same Child and Adolescent Needs and Strengths (CANS) Name (if applicable), and specifies the same SE# as an existing line (as previously amended, if at all) in the Financial Assistance Award and specifies a date range falling within the Effective Dates specified in that existing line (as previously amended, if at all). If an Amending Line has a positive number in the approved Operating Dollars column, those funds are added to the approved Operating Dollars of the Corresponding Line for the period specified in the Amending Line. If an Amending Line has a negative number in the approved Operating Dollars column, those funds are subtracted from the approved Operating Dollars of the Corresponding Line for period specified in the Amending Line. If an Amending Line has a positive number in the Slot Change/Type column, those Slots are added to the Slot Change/Type in the Corresponding Line for the period specified in the Amending Line. If an Amending Line has a negative number in the Slot Change/Type column, those Slots are subtracted from the Slot Change/Type in the Corresponding Line for the period specified in the Amending Line. All Special Conditions identified in a Corresponding Line apply to funds identified on an Amending Line (unless a Special Condition or portion thereof on an Amending Line specifies a rate). If an Amending Line contains a Special Condition or portion of a Special Condition that specifies a rate, that Special Condition or portion thereof replaces, for the period specified in the Amending Line, any Special Condition or portion thereof in the Corresponding Line that specifies a rate. If a

financial and service information line in a Financial Assistance Award amendment is not an Amending Line, as described above, it is a new line added to the Financial Assistance Award.

RECOVERY, & PREVENTION, AND PROBLEM GAMBLING SERVICES**

**EXHIBIT D  
PAYMENT, SETTLEMENT, AND CONFIRMATION REQUIREMENTS**

1. OHA provides funding for Services through Part A, B, or C awards. The award type is identified in Exhibit C, “Financial Assistance Award,” on lines in which column “Part ABC,” contains an “A” for Part A award, a “B” for Part B award, and a “C” for Part C award:
  - a. Funds awarded to County or Service Providers are subject to the following:
    - (1) OHA shall not authorize in aggregate, under this “Financial Assistance Calculation and Disbursement” section, financial assistance requested for Services in excess of the contractual Not-to-Exceed amount. “Total aggregate funding” means the total of all funding authorized in Exhibit C, “Financial Assistance Award.” The monthly rate will be prorated for any month in which the Individual does not receive Services for a portion of the month. Funding received by the County or Service Provider from an Individual, the Individual’s health insurance provider, another person’s health insurance provider under which Individual is also covered, or any other Third-Party Resource (TPR) in support of Individual’s care and Services, in addition to payments received under this financial assistance agreement for the same Service, during the same time period or date of Service for the same Individual, must be returned to OHA unless TPR funding is used to provide additional Service – increase capacity – under the same Service Element for which payment from OHA and TPR was provided.
 

County must make reasonable efforts to obtain payment first from other resources consistent with OAR 410-120-1280. County is obligated to report to OHA, by email at [amhcontract.administrator@dhsoha.state.or.us](mailto:amhcontract.administrator@dhsoha.state.or.us), any TPR payments received, no later than 30 calendar days following expiration of this Agreement.   - (c) OHA may, after 30 calendar days (unless parties agree otherwise) written notice to County, reduce the monthly allotments based on under-used funding identified through MOTS and other reports in accordance with the "Reporting Requirements" and "Special Reporting Requirements" sections or applicable special conditions.

**c. Part B awards:**

Part B is used for any award or payment that is made outside of the State Financial Management Application (SFMA) payment system. For this Agreement, an example of that type of system is the Medicaid Management Information System (MMIS). Part B Limitation awards are not disbursed or settled under this Agreement, but may be included for budgetary purposes.

- (1) Part B awards are calculated and applied as follows:
  - (a) The provider of Services must be enrolled as a Medicaid Provider and follow the procedures for billing OHA for Medicaid Community Mental Health, or Addiction Treatment, Recovery, & Prevention, and Problem Gambling Services for Medicaid-eligible Individuals through MMIS as

outlined in the Medicaid Professional Billing Instructions Manual, available on the OHA website at:

<https://www.oregon.gov/OHA/HSD/OHP/Pages/webportal.aspx?wp4796=1:100>.

- (b) OHA calculates the rates and then processes claims through OHA's MMIS. Part B Limitation is calculated, and payment is made through MMIS directly to the Service Provider on a fee-for-services (FFS) basis. The FFS rates and additional Medicaid Provider resources are available on the OHA website at: <https://www.oregon.gov/oha/HSD/OHP/Pages/index.aspx>; and
- (c) OHA will provide notice to County in a timely manner if there is a change in rates, which shall be established by OHA's Rate Standardization Committee in its sole discretion. All Medicaid reimbursable service billings shall be in accordance with OHA HSD's Medical Assistance Program Rules as listed in OAR 410-172-0600 through 410-172-0860.

**d. Part C awards:**

**(1) Part C awards are calculated and applied as follows:**

Unless a different disbursement method is specified in that line of Exhibit C, "Financial Assistance Award," OHA will disburse the Part C funds for Services provided under a particular line of the Financial Assistance Award containing a "C" in column "Part ABC" to County per receipt and approval of a written invoice with required attachments, as specified below, in the monthly allotment during the period specified in that line of the Financial Assistance Award. Invoice and required attachments are due no later than 45 calendar days following the end of the subject month or quarter, and must be submitted to [amhcontract.administrator@dhs.oha.state.or.us](mailto:amhcontract.administrator@dhs.oha.state.or.us) with the subject line "Invoice, contract # (your contract number), contractor name." Financial assistance provided by OHA shall be subject to the limitations described in this Agreement.

- (a) For Services to Medicaid-eligible Individuals for whom the Services provided are not covered under Medicaid but are medically appropriate, County shall attach a copy of the Plan of Care (POC) and Coordinated Care Organization (CCO) refusal of payments for the item or Service. OHA will provide funding at the Medicaid Fee Schedule rate. At no time will OHA provide funding above the Medicaid Fee Schedule rate for Services.
- (b) For Services to non-Medicaid-eligible Individuals, County shall attach a copy of the bill or receipt, for the item or Service, to a combined monthly invoice, itemized by Individual. Part C funding for Psychiatric Security Review Board (PSRB) non-medically approved Services are only for the time period shown and do not carry forward into following years' allotments.

**e. Start-Up awards:**

- (1) Calculation of Financial Assistance: OHA will provide financial assistance for A&D 60 and MHS 37 Services from funds identified in a particular line of Exhibit C, "Financial Assistance Award," in an amount equal to the amount requested on the Start-Up form submitted by County, subject to the requirements of Exhibit K, "Start-Up Procedures." The total OHA financial assistance for all A&D 60 and MHS 37 activities described herein under a particular line of the Financial

Assistance Award shall not exceed the total funds awarded for A&D 60 and MHS 37 as specified in that line of the Financial Assistance Award.

(2) **Disbursement of Financial Assistance:**

- (a) Unless a different disbursement method is specified in that line of Exhibit C, "Financial Assistance Award," OHA will disburse the Start-Up funds awarded for A&D 60 and MHS 37 in a particular line of the Financial Assistance Award after OHA's receipt, review, and approval of County's properly completed "Start-Up Request & Expenditure Report," as described in and in accordance with Exhibit L, "Start-Up Procedures."
- (b) After execution of the Agreement or any amendment(s) for Start-Up disbursements, County may request an advance of funds it anticipates using in the subsequent 120 calendar days.

f. **Settlement and Confirmation of Performance Requirements:**

OHA uses either Settlement or Confirmation of Performance requirements at the end of each contracting period. The specific requirement will be listed in each individual Service Description.

(1) **Agreement Settlement:**

- (a) Agreement Settlement will be used to reconcile any discrepancies that may have occurred during the term of this Agreement between actual OHA disbursements of funds awarded for Services under a particular line of Exhibit C, "Financial Assistance Award," containing an "A" in column "Part ABC," and amounts due for such Services based on the rate set forth in the special condition identified in that line of the Financial Assistance Award. For purposes of this section, amounts due to County are determined by the actual amount of Services delivered under that line of the Financial Assistance Award, as properly reported in accordance with the "Reporting Requirements" and "Special Reporting Requirements" sections of the Agreement or as required in an applicable Specialized Service Requirement, and subject to the terms and limitations in this Agreement.

The settlement process will not apply to funds awarded for an approved reserved service capacity payment.

(b) **Agreement Settlement for Start-Up Services:**

Agreement Settlement will be used to reconcile any discrepancies that may have occurred during the term of this Agreement between actual OHA disbursements of funds awarded for Start-Up and amounts due for Services based on actual allowable expenditures incurred in accordance with the Service Description and Exhibit L, "Start-Up Procedures."

County shall submit all Start-Up Request and Expenditure Reports at the level of detail prescribed by OHA. Any reports not submitted by 45 calendar days after the expiration or termination date of this Agreement, whichever is earlier, shall not be accepted nor any funds owed by OHA.

(2) **Confirmation of Performance and Reporting Requirements:**

County shall be required to demonstrate through the data properly reported in accordance with the "Reporting Requirements" and "Special Reporting

Requirements” sections, the qualifying Services to which these Services can be attributed, how funds awarded were utilized consistent with the terms and limitations herein to meet the performance requirements of the Service Description, and that County shall be subject to the monitoring and review of performance requirements and quality measures by the OHA Contract Administrator for the Program under which these Services falls and subject to the terms and limitations in this Agreement.

**2022 INTERGOVERNMENTAL AGREEMENT  
FOR THE FINANCING OF COMMUNITY MENTAL HEALTH, ADDICTION TREATMENT,  
RECOVERY, & PREVENTION, AND PROBLEM GAMBLING SERVICES**

**EXHIBIT F  
GENERAL TERMS AND CONDITIONS**

**1. Disbursement and Recovery of Financial Assistance.**

- a. Disbursement Generally.** Subject to the conditions precedent set forth below, OHA shall disburse the financial assistance described in the Financial Assistance Award to County in accordance with the procedures set forth below and, as applicable, in the Service Descriptions and the Financial Assistance Award. Disbursement procedures may vary by Service.
- (1) Disbursement of Financial Assistance Awarded for Services in Financial Assistance Award.** As set forth in the Service Description for a particular Service, OHA will generally disburse financial assistance that is described in the Financial Assistance Award to County in monthly allotments in advance of actual delivery of the Service.
- (2) Disbursements Remain Subject to Recovery.** All disbursements of financial assistance under this Agreement, including disbursements made directly to Providers, remain subject to recovery from County, in accordance with Recovery of Financial Assistance section below.
- b. Conditions Precedent to Disbursement.** OHA's obligation to disburse financial assistance to County under this Agreement is subject to satisfaction, with respect to each disbursement, of each of the following conditions precedent:
- (1)** No County default, as described in Section 6 of Exhibit G, "Standard Terms and Conditions," has occurred.
- (2)** County's representations and warranties, as set forth in Section 4 of Exhibit G, "Standard Terms and Conditions," are true and correct on the date of disbursement with the same effect as though made on the date of disbursement.
- c. Recovery of Financial Assistance.**
- (1) Notice of Underexpenditure, Overexpenditure.** If OHA believes there has been an Underexpenditure or Overexpenditure (as defined in Exhibit A "Definitions") of moneys disbursed under this Agreement, OHA shall provide County with written notice thereof, with a detailed spreadsheet providing supporting data of an under or over expenditure, and OHA and County shall engage in the process described in the Recovery of Underexpenditure or Overexpenditure section below. If OHA believes there has been a Misexpenditure (as defined in Exhibit A "Definitions") of moneys disbursed to County under this Agreement, OHA shall provide County with written notice thereof and OHA and County shall engage in the process described in Recovery of Misexpenditures section below.

(2) **Recovery of Underexpenditure or Overexpenditure.**

- (a) **County's Response.** County shall have 90 calendar days from the effective date of the notice of Underexpenditure or Overexpenditure or from the date of receipt of the notice, whichever is later, to pay OHA in full or notify OHA that it wishes to engage in the appeals process set forth in the Appeals Process section below. If County fails to respond within that 90 calendar-day time period, County shall promptly pay the noticed Underexpenditure or Overexpenditure.
- (b) **Appeals Process.** Upon receipt of the final notice, if County notifies OHA that it wishes to engage in the Appeals Process, County and OHA shall engage in non-binding discussions to give the County an opportunity to present reasons why it believes that there was no Underexpenditure or Overexpenditure, or that the amount of the Underexpenditure or Overexpenditure was different than the amount identified by OHA, and to give OHA the opportunity to reconsider its notice. County and OHA may negotiate an appropriate apportionment of responsibility for the repayment of an Underexpenditure or Overexpenditure. At County request, OHA will meet and negotiate with County in good faith concerning appropriate apportionment of responsibility for repayment of an Underexpenditure or Overexpenditure. In determining an appropriate apportionment of responsibility, County and OHA may consider any relevant factors. An example of a relevant factor is the extent to which either party contributed to an interpretation of a statute, regulation or rule prior to the expenditure that was officially reinterpreted after the expenditure. If OHA and County reach agreement on the amount owed to OHA, County shall promptly repay that amount to OHA by issuing payment to OHA or by directing OHA to withhold future payments pursuant to the Recovery from Future Payment section below. If OHA and County are unable to agree to whether there has been an Underexpenditure or Overexpenditure or as to the amount owed, the parties may agree to consider further appropriate dispute resolution processes, including, subject to State of Oregon Department of Justice and County Counsel approval, arbitration. If both parties are unable to agree to further dispute resolution, the parties shall proceed according to the procedures described in the Recovery from Future Payments section below.
- (c) **Recovery from Future Payments.** To the extent that OHA is entitled to recover an Underexpenditure or Overexpenditure pursuant to this Recovery of Underexpenditure or Overexpenditure section, OHA may recover the Underexpenditure or Overexpenditure by offsetting the amount thereof against future amounts owed to County by OHA, including, but not limited to, any amount owed to County by OHA under any other agreement between County and OHA, present or future. OHA shall provide County written notice of its intent to recover the amount of the Underexpenditure or Overexpenditure from amounts owed County by OHA as set forth in this Section and shall identify the amounts, which OHA intends to offset, (including the agreements, if any, under which the amounts owed arose and from those from which OHA wishes to deduct payments). County shall then have 14 calendar days from the date of OHA's notice in which to request the deduction be made from other amounts owed to County by OHA and

identified by County. OHA shall comply with County's request for alternate offset. In the event that OHA and County are unable to agree on which specific amounts, owed to County by OHA, OHA may offset in order to recover the amount of the Underexpenditure or Overexpenditure, OHA may select the particular agreements, between OHA and County, and amounts from which it will recover the Underexpenditure or Overexpenditure, after providing notice to the County and subject to the following limitations: OHA shall first look to amounts owed to County (but unpaid) under this Agreement. If that amount is insufficient, then OHA may look to any other amounts currently owing or owed in the future to County by OHA. In no case, without the prior consent of County, shall OHA deduct from any one payment due to County under the agreement from which OHA is offsetting funds an amount in excess of twenty-five percent (25%) of that payment. OHA may look to as many future payments as necessary in order to fully recover the amount of the Underexpenditure or Overexpenditure.

**(3) Recovery of Misexpenditure.**

- (a)** If OHA believes there has been a Misexpenditure (as defined in Exhibit A "Definitions") of money disbursed to County under this Agreement, OHA shall provide to County a written notice of recovery, with a detailed spreadsheet providing supporting data of the Misexpenditure attached, and OHA and County shall engage in the process described in the Appeal Process section below.
- (b) County's Response.** From the effective date of the Misexpenditure notice or from the date of receipt of notice, whichever is later, County shall have the lesser of 60 calendar days; or if a Misexpenditure relates to a federal government request for reimbursement, 30 calendar days fewer than the number of days (if any) OHA has to appeal a final written decision from the federal government, to either:
  - i.** Make a payment to OHA in the full amount of the Misexpenditure as identified by OHA in the notice; or
  - ii.** Notify OHA that County wishes to repay the amount of the Misexpenditure, as identified by OHA in the notice, from future payments pursuant to the Recovery from Future Payments section below; or
  - iii.** Notify OHA that it wishes to engage in the applicable appeal process, as set forth in the Appeal Process section below.

If County fails to respond within the time required by this Section, OHA may recover the amount of the Misexpenditure identified in the notice from future payments as set forth in Recovery from Future Payment section below.

- (c) **Appeal Process.** If County notifies OHA that it wishes to engage in an appeal process with respect to a notice of Misexpenditure from OHA, the parties shall comply with the following procedures, as applicable:
- i. **Appeal from OHA-Identified Misexpenditure.** If OHA’s notice of Misexpenditure is based on a Misexpenditure solely of the type described in Section 20(b) or (c) of Exhibit A, “Definitions,” County and OHA shall engage in the process described in this Appeal Process section to resolve a dispute regarding the notice of Misexpenditure. First, County and OHA shall engage in non-binding discussions, to give the County an opportunity to present reasons why it believes that there is, in fact, no Misexpenditure or that the amount of the Misexpenditure is different than the amount identified by OHA in the notice, and to give OHA the opportunity to reconsider its notice. County and OHA may negotiate an appropriate apportionment of responsibility for the repayment of the Misexpenditure. At County’s request, OHA will meet and negotiate with County in good faith concerning appropriate apportionment of responsibility for repayment of the Misexpenditure. In determining an appropriate apportionment of responsibility, County and OHA may consider any relevant factors. An example of a relevant factor is the extent to which either party contributed to an interpretation of a statute, regulation or rule prior to the expenditure that was officially reinterpreted after the expenditure. If OHA and County reach agreement on the amount owed to OHA, County shall promptly repay that amount to OHA by issuing payment to OHA or by directing OHA to withhold future payments pursuant to the Recovery from Future Payments section below. If OHA and County continue to disagree as to whether there has been a Misexpenditure or as to the amount owed, the parties may agree to consider further appropriate dispute resolution processes, including, subject to State of Oregon Department of Justice and County Counsel approval, arbitration.
  - ii. **Appeal from Federal-Identified Misexpenditure.**
    - A. If OHA’s notice of Misexpenditure is based on a Misexpenditure of the type described in Section 20(a) of Exhibit A, “Definitions,” and the relevant federal agency provides a process either by statute or administrative rule to appeal the determination of improper use of federal funds, the notice of disallowance or other federal identification of improper use of funds, and if the disallowance is not based on a federal or state court judgment founded in allegations of Medicaid fraud or abuse, then County may, 30 calendar days prior to the applicable federal appeals deadline, request that OHA appeal the determination of improper use, notice of disallowance or other federal identification of improper use of funds in accordance with the process established or adopted by the federal agency. If County so requests that OHA appeal the determination of improper use of federal

funds, federal notice of disallowance or other federal identification of improper use of funds, the amount in controversy shall, at the option of County, be retained by the County or returned to OHA pending the final federal decision resulting from the initial appeal. If the County requests, prior to the deadline set forth above, that OHA appeal, OHA shall appeal the determination of improper use, notice of disallowance or other federal identification of improper use of funds in accordance with the established process and shall pursue the appeal until a decision is issued by the Departmental Grant Appeals Board of the Department of Health and Human Services (the "Grant Appeals Board") pursuant to the process for appeal set forth in 45 C.F.R. Subtitle A, Part 16, or an equivalent decision is issued under the appeal process established or adopted by the federal agency. County and OHA shall cooperate with each other in pursuing the appeal. If the Grant Appeals Board or its equivalent denies the appeal then either County, OHA, or both may, at their discretion, pursue further appeals. Regardless of any further appeals, within 90 calendar days of the date the federal decision resulting from the initial appeal is final, County shall repay to OHA the amount of the Misexpenditure (reduced, if at all, as a result of the appeal) by issuing payment to OHA or by directing OHA to withhold future payments pursuant to Recovery from Future Payments section below. To the extent that County retained any of the amount in controversy while the appeal was pending, the County shall also pay to OHA the interest, if any, charged by the federal government on such amount.

- B.** If the relevant federal agency does not provide a process either by statute or administrative rule to appeal the determination of improper use of federal funds, the notice of disallowance or other federal identification of improper use of funds or County does not request that OHA pursue an appeal 30 calendar days prior to the applicable federal appeals deadline, and if OHA does not appeal, within 90 calendar days of the date the federal determination of improper use of federal funds, the federal notice of disallowance or other federal identification of improper use of funds is final, County shall repay to OHA the amount of the Misexpenditure by issuing a payment to OHA or by directing OHA to withhold future payments pursuant to the Recovery from Future Payments section below.

- C.** If County does not request that OHA pursue an appeal of the determination of improper use of federal funds, the notice of disallowance or other federal identification of improper use of funds 30 calendar days prior to the applicable federal appeals deadline but OHA nevertheless appeals, County shall repay to OHA the amount of the Misexpenditure (reduced, if at all, as a result of the appeal), within 90 calendar days of the date the federal decision resulting from the appeal is final, by issuing payment to OHA or by directing OHA to withhold future payments pursuant to the Recovery from Future Payments section below.
- D.** Notwithstanding County’s Response section above, if the Misexpenditure was expressly authorized by OHA rule or an OHA writing that applied when the expenditure was made but was prohibited by federal statutes or regulations that applied when the expenditure was made, County will not be responsible for repaying the amount of the Misexpenditure to OHA, provided that:

  - I.** Where post-expenditure official reinterpretation of federal statutes or regulations results in a Misexpenditure, County and OHA will meet and negotiate in good faith an appropriate apportionment of responsibility between them for repayment of the Misexpenditure.
  - II.** For purposes of this Section, an OHA writing must interpret this Agreement or OHA rule and be signed by the Director of OHA, the Director of Health Systems Division or the Section Director.

OHA shall designate an alternate officer in the event the Health Systems Division is abolished. Upon County’s request, OHA shall notify County of the names of the individual officers listed above. OHA shall send OHA writings described in this paragraph to County by mail and email and to CMHP directors by email.
  - III.** The OHA writing must be in response to a request from County for expenditure authorization or a statement intended to provide official guidance to County or counties generally for making expenditures under this Agreement. The writing must not be contrary to this Agreement or contrary to law or other applicable authority that is clearly established at the time of the OHA writing.

- IV. If the OHA writing is in response to a request from County for expenditure authorization, the County's request must be in writing and signed by the director of a County department with the authority to make such a request or by the County Counsel. It must identify the supporting data, provisions of this Agreement and provisions of applicable law relevant to determining if the expenditure should be authorized.
  - V. An OHA writing expires on the date stated in the writing, or if no expiration date is stated, six years from the date of the writing. An expired OHA writing continues to apply to County expenditures that were made in compliance with the writing and during the term of the writing.
  - VI. OHA may revoke or revise an OHA writing at any time if it determines in its sole discretion that the writing allowed expenditure in violation of this Agreement, law, or any other applicable authority. However, County is not responsible for a misexpenditure that was based on an OHA writing that was effective at the time of the misexpenditure.
  - VII. OHA rule does not authorize an expenditure that this Agreement prohibits.
- (d) **Recovery from Future Payments.** To the extent that OHA is entitled to recover a Misexpenditure pursuant to the Appeal Process section above, OHA may recover the Misexpenditure by offsetting the amount thereof against future amounts owed to County by OHA, including, but not limited to, any amount owed to County by OHA under this Agreement or any amount owed to County by OHA under any other agreement between County and OHA, present or future. OHA shall provide County written notice of its intent to recover the amount of the Misexpenditure from amounts owed County by OHA as set forth in this Section, and shall identify the amounts owed by OHA which OHA intends to offset (including the agreements, if any, under which the amounts owed arose and from those from which OHA wishes to deduct payments). County shall then have 14 calendar days from the date of OHA's notice to request the deduction be made from other amounts owed to County by OHA and identified by County. OHA shall comply with County's request for alternate offset. In the event that OHA and County are unable to agree on which specific amounts, owed to County by OHA, OHA may offset in order to recover the amount of the Misexpenditure, then OHA may select the particular agreements between OHA and County and amounts from which it will recover the amount of the Misexpenditure, after providing notice to the County, and subject to the following limitations: OHA shall first look to amounts owed to County (but unpaid) under this Agreement. If that amount is insufficient, then OHA may look to any other amounts currently owing or owed in the future to County by OHA. In no case, without the prior consent of County,

shall OHA deduct from any one payment due County under the agreement from which OHA is offsetting funds an amount in excess of twenty-five percent (25%) of that payment. OHA may look to as many future payments as necessary in order to fully recover the amount of the Misexpenditure.

**(4) Additional Provisions related to parties' rights and obligations with respect to Underexpenditures, Overexpenditures and Misexpenditures.**

- (a) County shall cooperate with OHA in the Agreement Settlement process.
- (b) OHA's right to recover Underexpenditures, Overexpenditures and Misexpenditures from County under this Agreement is not subject to or conditioned upon County's recovery of any money from any other entity.
- (c) If the exercise of OHA's right to offset under this provision requires the County to complete a re-budgeting process, nothing in this provision shall be construed to prevent the County from fully complying with its budgeting procedures and obligations, or from implementing decisions resulting from those procedures and obligations.
- (d) Nothing in this provision shall be construed as a requirement or agreement by the County to negotiate and execute any future contract with OHA.
- (e) Nothing in this Section shall be construed as a waiver by either party of any process or remedy that might otherwise be available.

**2. Use of Financial Assistance.** County shall use the financial assistance disbursed to County under this Agreement solely to cover actual Allowable Costs reasonably and necessarily incurred to deliver Services during the term of this Agreement.

**3. Award Adjustments**

- a. County may use funds awarded in a Program Area to cover actual Allowable Costs reasonably and necessarily incurred to deliver Services in that Program Area, from the Effective Date of this Agreement through the termination or expiration of this Agreement. In addition to the financial assistance provided to County under this Agreement expressly for those Services, up to 10 percent of the aggregate financial assistance awarded to County at the time the use occurs (as such award is reflected in the Financial Assistance Award without giving effect to any prior adjustments under this Award Adjustments section and other than from Federal Funds) County may use funds for other Services in that Program Area (other than financial assistance provided to County for MHS 04, MHS 05, MHS 08, MHS 09, MHS 10, MHS 12, MHS 13, MHS 15, MHS 26, MHS 27, MHS 28, MHS 37, A&D 60, A&D 61, A&D 62, A&D 65, A&D 80, A&D 81, A&D 82, A&D 83 and A&D 84, which are not subject to this 10 percent use adjustment). If County uses financial assistance described in the Financial Assistance Award in reliance on this Award Adjustments section, County shall promptly notify in writing of such use.
- b. Financial assistance disbursed to County under this Agreement that County would be entitled to retain if used prior to the termination or expiration of this Agreement (as calculated in accordance with the methodologies set forth in the applicable Service Descriptions), may be retained by County even if not used prior to the termination or expiration of this Agreement provided that other provisions of this Agreement do not require the financial assistance to be used by County prior to termination or expiration of this Agreement and provided further that County uses the financial assistance solely to deliver future Services for the purpose it was originally awarded.

#### 4. Amendments Proposed by OHA.

- a. Amendments of Financial Assistance Award.** County shall review all proposed amendments to the Financial Assistance Award prepared and presented to County by OHA in accordance with this Section. Amendments to the Financial Assistance Award will be presented to County in electronic form. OHA may withdraw a proposed amendment by and effective upon written notice to County. If not sooner accepted or rejected by County, or withdrawn by OHA, a proposed amendment shall be deemed rejected by County 60 calendar days after County's receipt thereof and OHA's offer to amend the Financial Assistance Award shall be automatically revoked. If County chooses to accept a proposed amendment presented in electronic form, County shall return the proposed amendment to OHA signed by the County Financial Assistance Administrator. Upon OHA's actual physical receipt and signature of a proposed amendment signed by the County Financial Assistance Administrator but otherwise unaltered, the proposed amendment shall be considered accepted by the parties and the Financial Assistance Award, as amended by the proposed amendment, shall become the Financial Assistance Award under this Agreement. If County returns a proposed amendment altered in any way (other than by signature of the County Financial Assistance Administrator), OHA may, in its discretion, accept the proposed amendment as altered by County but only if the County Financial Assistance Administrator has initialed each alteration. A proposed amendment altered by County and returned to OHA shall be considered accepted by OHA on the date OHA initials each alteration and on that date the Financial Assistance Award, as amended by the proposed amendment (as altered), shall become the Financial Assistance Award.
- b. Other Amendments.** County shall review all proposed amendments to this Agreement prepared and presented to County by OHA, other than those described in the previous subsection a., promptly after County's receipt thereof. If County does not accept a proposed amendment within 60 calendar days of County's receipt thereof, County shall be deemed to have rejected the proposed amendment and the offer to amend the Agreement, as set forth in the proposed amendment, shall be automatically revoked. If County chooses to accept the proposed amendment, County shall return the proposed amendment to OHA signed by a duly authorized County official. Upon OHA's actual physical receipt and signature of a proposed amendment signed by a duly authorized County official but otherwise unaltered, the proposed amendment shall be considered accepted by the parties and this Agreement shall be considered amended as set forth in the accepted amendment. If County returns a proposed amendment altered in any way (other than by signature of a duly authorized County official), OHA may, in its discretion, accept the proposed amendment as altered by County but only if a duly authorized County official has initialed each alteration. A proposed amendment altered by County and returned to OHA shall be considered accepted by OHA on the date OHA initials each alteration and on that date this Agreement shall be considered amended as set forth in the accepted amendment.

- 5. Provider Contracts.** Except when the Service expressly requires the Service or a portion thereof to be delivered by County directly and subject to the Provider Monitoring section below, County may use financial assistance provided under this Agreement for a particular Service to purchase that Service, or a portion thereof, from a third person or entity (a “Provider”) through a contract (a “Provider Contract”). Subject to the Provider Monitoring section below, County may permit a Provider to purchase the Service, or a portion thereof, from another person or entity under a subcontract and such subcontractors shall also be considered Providers for purposes of this Agreement and those subcontracts shall be considered Provider Contracts under this Agreement. County shall not permit any person or entity to be a Provider unless the person or entity holds all licenses, certificates, authorizations, and other approvals required by applicable law to deliver the Service. If County purchases a Service, or portion thereof, from a Provider, the Provider Contract must be in writing, identify for sub-recipients the amount of federal funds included in the Provider Contract, provide the CFDA number, and contain each of the provisions set forth in Exhibit I, “Required Provider Contract Provisions,” in substantially the form set forth therein, in addition to any other provisions that must be included to comply with applicable law, that must be included in a Provider Contract under the terms of this Agreement or that are necessary to implement Service delivery in accordance with the applicable Service Descriptions, Specialized Service Requirements and Special Conditions. County shall maintain an originally executed copy of each Provider Contract at its office and shall furnish a copy of any Provider Contract to OHA upon request.
- 6. Provider Monitoring.** County shall monitor each Provider’s delivery of Services and promptly report to OHA when County identifies a deficiency in a Provider’s delivery of a Service or in a Provider’s compliance with the Provider Contract between the Provider and County. County shall promptly take all necessary action to remedy any identified deficiency on the part of the Provider. County shall also monitor the fiscal performance of each Provider and shall take all lawful management and legal action necessary to pursue this responsibility. In the event of a deficiency in a Provider’s delivery of a Service or in a Provider’s compliance with the Provider Contract between the Provider and County, nothing in this Agreement shall limit or qualify any right or authority OHA has under state or federal law to take action directly against the Provider.
- 7. Alternative Formats and Translation of Written Materials, Interpreter Services.**  
In connection with the delivery of Program Element services, County shall make available to Client, without charge, upon the Client’s reasonable request:
- a. All written materials related to the services provided to the Client in alternate formats, including accessible electronic formats, brailled documents, and large print upon request. If County does not have access to such alternate formats, then County can request them from OHA.
  - b. All written materials related to the services provided to the Client in the Client’s language. If County does not have access to such languages, then County can request written materials in the Client’s language from OHA.
  - c. Oral interpretation services related to the services provided to the Client in the Client’s language.
  - d. Sign language interpretation services and telephone communications access services related to the services provided to the Client. County shall work with OHA if it does not have staff that fluently speak the language of an eligible Client, including qualified Sign Language Interpreters for Client’s who are deaf or hard of hearing and whose preferred mode of communication is sign language.

For purposes of the foregoing, “written materials” means materials created by County, in connection with the Service being provided to the requestor. The County may develop its own forms and materials and with such forms and materials the County shall be responsible for making them available to a Client, without charge to the Client in the prevalent non-English language(s) within the County service area. OHA shall be responsible for making its forms and materials available, without charge to the Client or County, in the prevalent non-English language(s) within the County service area.

8. **Reporting Requirements.** If County delivers a Service directly, County shall prepare and furnish the following information to OHA when that Service is delivered:
  - a. Client, Service, and financial information as specified in the Service Description.
  - b. All additional information and reports that OHA reasonably requests.
9. **Operation of CMHP.** County shall operate or contract for the operation of a CMHP during the term of this Agreement. If County uses funds provided under this Agreement for a particular Service, County shall include that Service in its CMHP from the date it begins using the funds for that Service until the earlier of: (a) termination or expiration of this Agreement; (b) termination by OHA of OHA’s obligation to provide financial assistance for that Service in accordance with Exhibit G, Termination section; or (c) termination by the County, in accordance with Exhibit G, Termination section, of County’s obligation to include in its CMHP a Program Area that includes that Service.
10. **OHA Reports.**
  - a. To the extent resources are available to OHA to prepare and deliver the information, OHA shall, during the term of this Agreement, provide County with the following reports:
    - (1) Summary reports to County and County’s Providers from MOTS data as reported to OHA under this Agreement; and
    - (2) Monthly reports to County that detail disbursement of financial assistance under the Financial Assistance Award in Exhibit C for the delivery of Services.
  - b. OHA shall prepare and send to each Provider to whom OHA makes direct payments on behalf of County under this Agreement during a calendar year, an IRS Form 1099 for that year specifying the total payments made by OHA to that Provider.
11. **Technical Assistance.** During the term of this Agreement, OHA shall provide technical assistance to County in the delivery of Services to the extent resources are available to OHA for this purpose. If the provision of technical assistance to the County concerns a Provider, OHA may require, as a condition to providing the assistance, that County take all action with respect to the Provider reasonably necessary to facilitate the technical assistance.
12. **Payment of Certain Expenses.** If OHA requests that an employee of County or a Provider or a citizen of County attend OHA training or an OHA conference or business meeting and County has obligated itself to reimburse the individual for travel expenses incurred by the individual in attending the training or conference, OHA may pay those travel expenses on behalf of County but only at the rates and in accordance with the reimbursement procedures set forth in the Oregon Accounting Manual (<https://www.oregon.gov/das/Financial/Acctng/Pages/oam.aspx>) under 40.10.00 as of the date the expense was incurred and only to the extent that OHA determines funds are available for such reimbursement.

- 13. Effect of Amendments Reducing Financial Assistance.** If County and OHA amend this Agreement to reduce the amount of financial assistance awarded for a particular Service, County is not required by this Agreement to utilize other County funds to replace the funds no longer received under this Agreement as a result of the amendment and County may, from and after the date of the amendment, reduce the quantity of that Service included in its CMHP commensurate with the amount of the reduction in financial assistance awarded for that Service. Nothing in the preceding sentence shall affect County's obligations under this Agreement with respect to financial assistance actually disbursed by OHA under this Agreement or with respect to Services actually delivered.
- 14. Resolution of Disputes over Additional Financial Assistance Owed County After Termination or Expiration.** If, after termination or expiration of this Agreement, County believes that OHA disbursements of financial assistance under this Agreement for a particular Service are less than the amount of financial assistance that OHA is obligated to provide to County under this Agreement for that Service, as determined in accordance with the applicable financial assistance calculation methodology, County shall provide OHA with written notice thereof. OHA shall have 90 calendar days from the effective date of County's notice to pay County in full or notify County that it wishes to engage in a dispute resolution process. If OHA notifies County that it wishes to engage in a dispute resolution process, County and OHA's Chief Health Systems Officer for the Health Systems Division shall engage in non-binding discussion to give OHA an opportunity to present reasons why it believes that it does not owe County any additional financial assistance or that the amount owed is different than the amount identified by County in its notices, and to give County the opportunity to reconsider its notice. If OHA and County reach agreement on the additional amount owed to County, OHA shall promptly pay that amount to County. If OHA and County continue to disagree as to the amount owed, the parties may agree to consider further appropriate dispute resolution processes, including, subject to Department of Justice and County Counsel approval, binding arbitration. Nothing in this Section shall preclude the County from raising underpayment concerns at any time prior to termination or expiration of this Agreement under Alternative Dispute Resolution below.
- 15. Alternative Dispute Resolution.** The parties should attempt in good faith to resolve any dispute arising out of this agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
- 16. Purchase and Disposition of Equipment.**
- a. For purposes of this Section, "Equipment" means tangible, non-expendable personal property having a useful life of more than one year and a net acquisition cost of more than \$5,000 per unit. However, for purposes of information technology equipment, the monetary threshold does not apply (except as provided below for Software and storage devices). Information technology equipment shall be tracked for the mandatory line categories listed below:
- (1) Network;
  - (2) Personal Computer;
  - (3) Printer/Plotter;
  - (4) Server;

- (5) Storage device that will contain client information;
  - (6) Storage device that will not contain client information, when the acquisition cost is \$100 or more; and
  - (7) Software, when the acquisition cost is \$100 or more.
- b.** For any Equipment authorized by OHA for purchase with funds from this Agreement, ownership shall be in the name of the County and County is required to accurately maintain the following Equipment inventory records:
- (1) Description of the Equipment;
  - (2) Serial number;
  - (3) Where Equipment was purchased;
  - (4) Acquisition cost and date; and
  - (5) Location, use, and condition of the Equipment.

County shall provide the Equipment inventory list electronically to the Agreement Administrator at [amhcontract.administrator@dhsola.state.or.us](mailto:amhcontract.administrator@dhsola.state.or.us) no later than 45 calendar days following the end of this Agreement. County shall be responsible to safeguard any Equipment and maintain the Equipment in good repair and condition while in the possession of County or any Providers. County shall depreciate all Equipment, with a value of more than \$5,000, using the straight-line method.

- c.** Upon termination of this Agreement, or any Service thereof, for any reason whatsoever, County shall, upon request by OHA, immediately, or at such later date specified by OHA, tender to OHA any and all Equipment purchased with funds under this Agreement as OHA may require to be returned to the State. At OHA's direction, County may be required to deliver said Equipment to a subsequent contractor for that contractor's use in the delivery of Services formerly provided by County. Upon mutual agreement, in lieu of requiring County to tender the Equipment to OHA or to a subsequent contractor, OHA may require County to pay to OHA the current value of the Equipment. Equipment value will be determined as of the date of Agreement or Service termination.
  - d.** If funds from this Agreement are authorized by OHA to be used as a portion of the purchase price of Equipment, requirements relating to title, maintenance, Equipment inventory reporting and residual value shall be negotiated, and the agreement reflected in a Special Condition authorizing the purchase.
  - e.** Notwithstanding anything herein to the contrary, County shall comply with 45 CFR 75.320, which generally describes the required maintenance, documentation, and allowed disposition of equipment purchased with federal grant funds.
- 17.** Nothing in this Agreement shall cause or require County or OHA to act in violation of state or federal constitutions, statutes, regulations, or rules. The parties intend this limitation to apply in addition to any other limitation in this Agreement, including limitations in Disbursement and Recovery of Financial Assistance above.

Any claim, action, suit or proceeding (collectively, "Claim") between the parties that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within a circuit court for the State of Oregon of proper jurisdiction. **THE PARTIES, BY EXECUTION OF THIS AGREEMENT, HEREBY CONSENT TO THE IN PERSONAM JURISDICTION OF SAID COURTS.** Except as provided in this section, neither party waives any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. The parties acknowledge that this is a binding and enforceable agreement and, to the extent permitted by law, expressly waive any defense alleging that either party does not have the right to seek judicial enforcement of this Agreement.

**5. Ownership of Intellectual Property.**

- a. Except as otherwise expressly provided herein, or as otherwise required by state or federal law, OHA will not own the right, title and interest in any intellectual property created or delivered by County or a Provider in connection with the Services. With respect to that portion of the intellectual property that the County owns, County grants to OHA a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to: (1) use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the intellectual property; (2) authorize third parties to exercise the rights set forth in Section 5.a.(1) on OHA's behalf; and (3) sublicense to third parties the rights set forth in Section 5.a.(1).
- b. If state or federal law requires that OHA or County grant to the United States a license to any intellectual property, or if state or federal law requires that OHA or the United States own the intellectual property, then County shall execute such further documents and instruments as OHA may reasonably request in order to make any such grant or to assign ownership in the intellectual property to the United States or OHA. To the extent that OHA becomes the owner of any intellectual property created or delivered by County in connection with the Services, OHA will grant a perpetual, worldwide, non-exclusive, royalty-free, and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to County to use, copy, distribute, display, build upon and improve the intellectual property.
- c. County shall include in its Provider Contracts terms and conditions necessary to require that Providers execute such further documents and instruments as OHA may reasonably request in order to make any grant of license or assignment of ownership that may be required by federal or state law.

**6. County Default.** County shall be in default under this Agreement upon the occurrence of any of the following events:

- a. County fails to perform, observe, or discharge any of its covenants, agreements or obligations set forth herein;
- b. Any representation, warranty or statement made by County herein or in any documents or reports made in connection herewith or relied upon by OHA to measure the delivery of Services, the expenditure of financial assistance or the performance by County is untrue in any material respect when made;

- c. County: (1) applies for or consents to the appointment of, or taking of possession by, a receiver, custodian, trustee, or liquidator of itself or all of its property; (2) admits in writing its inability, or is generally unable, to pay its debts as they become due; (3) makes a general assignment for the benefit of its creditors; (4) is adjudicated a bankrupt or insolvent; (5) commences a voluntary case under the Federal Bankruptcy Code (as now or hereafter in effect); (6) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts; (7) fails to controvert in a timely and appropriate manner, or acquiesces in writing to, any petition filed against it in an involuntary case under the Bankruptcy Code; or (8) takes any action for the purpose of effecting any of the foregoing; or

## 8. Termination.

- a. **County Termination.** County may terminate this Agreement in its entirety or may terminate its obligation to include a particular Program Area in its CMHP:
  - (1) For its convenience, upon at least three calendar months advance written notice to OHA, with the termination effective as of the first day of the month following the notice period;
  - (2) Upon 45 calendar days advance written notice to OHA, if County does not obtain funding, appropriations, and other expenditure authorizations from County's governing body, federal, state, or other sources sufficient to permit County to satisfy its performance obligations under this Agreement, as determined by County in the reasonable exercise of its administrative discretion;
  - (3) Upon 30 calendar days advance written notice to OHA, if OHA is in default under this Agreement and such default remains uncured at the end of said 30 calendar day period or such longer period, if any, as County may specify in the notice; or

- (4) Immediately upon written notice to OHA, if Oregon statutes or federal laws, regulations or guidelines are modified, changed, or interpreted by the Oregon Legislative Assembly, the federal government, or a court in such a way that County no longer has the authority to meet its obligations under this Agreement.
- b. OHA Termination.** OHA may terminate this Agreement in its entirety or may terminate its obligation to provide financial assistance under this Agreement for one or more particular Services described in the Financial Assistance Award:

  - (2) Upon 45 calendar days advance written notice to County, if OHA does not obtain funding, appropriations, and other expenditure authorizations from federal, state, or other sources sufficient to meet the payment obligations of OHA under this Agreement, as determined by OHA in the reasonable exercise of its administrative discretion. Notwithstanding the preceding sentence, OHA may terminate this Agreement in its entirety or may terminate its obligation to provide financial assistance under this Agreement for one or more particular Services, immediately upon written notice to County or at such other time as it may determine if action by the Oregon Legislative Assembly or Emergency Board reduces OHA's legislative authorization for expenditure of funds to such a degree that OHA will no longer have sufficient expenditure authority to meet its payment obligations under this Agreement, as determined by OHA in the reasonable exercise of its administrative discretion, and the effective date for such reduction in expenditure authorization is less than 45 calendar days from the date the action is taken;
  - (3) Immediately upon written notice to County if Oregon statutes or federal laws, regulations or guidelines are modified, changed, or interpreted by the Oregon Legislative Assembly, the federal government, or a court in such a way that OHA no longer has the authority to meet its obligations under this Agreement or no longer has the authority to provide the financial assistance from the funding source it had planned to use;
  - (4) Upon 30 calendar days advance written notice to County, if County is in default under this Agreement and such default remains uncured at the end of said 30 calendar day period or such longer period, if any, as OHA may specify in the notice;
  - (5) Immediately upon written notice to County, if any license or certificate required by law or regulation to be held by County or a Provider to deliver a Service described in the Financial Assistance Award is for any reason denied, revoked, suspended, not renewed, or changed in such a way that County or a Provider no longer meets requirements to deliver the Service. This termination right may only be exercised with respect to the particular Service or Services impacted by loss of necessary licensure or certification; or
  - (6) Immediately upon written notice to County, if OHA reasonably determines that County or any of its Providers have endangered or are endangering the health or safety of a Client or others in performing the Services covered in this Agreement.
- c.** OHA and County agree that this Agreement extends to March 31, 2023, but only for the purpose of amendments to adjust the allocated budget (Exhibit C, "Financial Assistance

If there is more than one amendment modifying the Financial Assistance Award, the amendment shall be applied to the Financial Assistance Award in the order in which the amendments are executed by County and OHA. In no event is the County authorized to provide any Services under this Agreement, and County is not required to provide any Services under this Agreement, after December 31, 2022.

- (2) Upon termination of OHA's obligation to provide financial assistance under this Agreement for a particular Service, County shall have no further obligation under this Agreement to include that Service in its CMHP.
  - (3) Upon termination of County's obligation to include a Program Area in its CMHP, OHA shall have (a) no further obligation to pay or disburse financial assistance to County under this Agreement for System Management and Coordination – Community Mental Health Services (MHS 01) and System Management and Coordination - Addiction Treatment, Recovery, & Prevention, and Problem Gambling Services (A&D 03) in that Program Area whether or not OHA has paid or disbursed to County all financial assistance described in the Financial Assistance Award for local administration of Services in that Program Area; and (b) no further obligation to pay or disburse any financial assistance to County under this Agreement for Services in that Program Area, whether or not OHA has paid or disbursed to County all financial assistance described in the Financial Assistance Award for those Services except: (1) with respect to funds described in the Financial Assistance Award, to the extent OHA's disbursement of financial assistance for a particular Service falling within that Program Area, the financial assistance for which is calculated on a rate per unit of service or service capacity basis, is less than the applicable rate multiplied by the number of applicable units of Service or Service capacity of that type performed or made available during the period from the Effective Date of this Agreement through the termination of County's obligation to include the Program Area, in which that Service falls, in County's CMHP; and (2) with respect to funds described in the Financial Assistance Award, to the extent OHA's disbursement of financial assistance for a particular Service falling within that Program Area, the financial assistance for which is calculated on a cost reimbursement basis, is less than the cumulative actual Allowable Costs reasonably and necessarily incurred by County with respect to delivery of that Service, during the period from the Effective Date of this Agreement through the termination of County's obligation to include the Program Area, in which that Service falls, in County's CMHP.
  - (4) Upon termination of County's obligation to include a Program Area in its CMHP, County shall have no further obligation under this Agreement to include that Program Area in its CMHP.

  - (2) Under no circumstances will OHA be obligated to provide financial assistance to County from funds described in the Financial Assistance Award in an amount greater than the amount due County under the Financial Assistance Award for Services, as determined in accordance with the financial assistance calculation methodologies in the applicable Services Descriptions.
- d. Survival.** Exercise of a termination right set forth in the Termination section of this Exhibit or expiration of this Agreement in accordance with its terms, shall not affect County's right to receive financial assistance to which it is entitled hereunder, as described in subsections a. and b. above and as determined through the Agreement Settlement process, or County's right to invoke the dispute resolution processes under Sections 14 and

15 of Exhibit F. Notwithstanding subsections a. and b. above, exercise of the termination rights in Section 8 of this Exhibit or expiration of this Agreement in accordance with its terms, shall not affect County's obligations under this Agreement or OHA's right to enforce this Agreement against County in accordance with its terms, with respect to financial assistance actually disbursed by OHA under this Agreement, or with respect to Services actually delivered. Specifically, but without limiting the generality of the preceding sentence, exercise of a termination right set forth in Section 8 of this Exhibit or expiration of this Agreement in accordance with its terms shall not affect County's representations and warranties, reporting obligations, record-keeping and access obligations, confidentiality obligations, obligation to comply with applicable federal requirements, the restrictions and limitations on County's use of financial assistance actually disbursed by OHA hereunder, County's obligation to cooperate with OHA in the Agreement Settlement process, or OHA's right to recover from County, in accordance with the terms of this Agreement, any financial assistance disbursed by OHA under this Agreement that is identified as an Underexpenditure, Overexpenditure or Misexpenditure. If a termination right set forth in Section 8 of this Exhibit is exercised, both parties shall make reasonable, good faith efforts to minimize unnecessary disruption or other problems associated with the termination.

**10. Insurance.** County shall require Providers to maintain insurance as set forth in Exhibit J, "Provider Insurance Requirements," which is attached hereto.

**11. Records Maintenance; Access and Confidentiality.**

- a. Access to Records and Facilities.** OHA, the Secretary of State's Office of the State of Oregon, the Federal Government, and their duly authorized representatives shall have access to the books, documents, papers and records of the County that are directly related to this Agreement, the financial assistance provided hereunder, or any Service for the purpose of making audits, examinations, excerpts, copies and transcriptions. In addition, County shall permit authorized representatives of OHA to perform site reviews of all Services delivered by County.
- b. Retention of Records.** County shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the financial assistance provided hereunder or any Service, for a minimum of six years, or such longer period as may be required by other provisions of this Agreement or applicable law, following the termination or expiration of this Agreement. If there are unresolved audit or Agreement Settlement questions at the end of the applicable retention period, County shall retain the records until the questions are resolved.
- c. Expenditure Records.** County shall document the use and expenditure of all financial assistance paid by OHA under this Agreement. Unless applicable federal law requires County to utilize a different accounting system, County shall create and maintain all use and expenditure records in accordance with generally accepted accounting principles and in sufficient detail to permit OHA to verify how the financial assistance paid by OHA under this Agreement was used or expended.
- d. Client Records.** If County delivers a Service directly, County shall create and maintain a Client record for each Client who receives that Service, unless the Service Description precludes delivery of the Service on an individual Client basis and reporting of Service commencement and termination information is not required by the Service Description. The Client record shall contain:
  - (1) Client identification;**

- (2) Problem assessment;
- (3) Treatment, training, or care plan;
- (4) Medical information when appropriate; and
- (5) Progress notes including Service termination summary and current assessment or evaluation instrument as designated by OHA in administrative rules.

County shall create and maintain written policies and procedures related to the disclosure of Client information, and shall make such policies and procedures available to OHA for review and inspection as reasonably requested by OHA.
12. **Information Privacy/Security/Access.** If the Services performed under this Agreement requires County or its Provider(s) to access or otherwise use any OHA Information Asset or Network and Information System to which security and privacy requirements apply, and OHA grants County, its Provider(s), or both access to such OHA Information Assets or Network and Information Systems, County shall comply and require its Provider(s) to which such access has been granted to comply with the terms and conditions applicable to such access or use, including OAR 943-014-0300 through OAR 943-014-0320, as such rules may be revised from time to time. For purposes of this section, "Information Asset" and "Network and Information System" have the meaning set forth in OAR 943-014-0305, as such rule may be revised from time to time.
  13. **Force Majeure.** Neither OHA nor County shall be held responsible for delay or default caused by fire, civil unrest, labor unrest, natural causes, or war which is beyond the reasonable control of OHA or County, respectively. Each party shall, however, make all reasonable efforts to remove or eliminate such cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Agreement. Either party may terminate this Agreement upon written notice to the other party after reasonably determining that the delay or default will likely prevent successful performance of this Agreement.
  14. **Assignment of Agreement, Successors in Interest.**
    - a. County shall not assign or transfer its interest in this Agreement without prior written approval of OHA. Any such assignment or transfer, if approved, is subject to such conditions and provisions as OHA may deem necessary. No approval by OHA of any assignment or transfer of interest shall be deemed to create any obligation of OHA in addition to those set forth in this Agreement.
    - b. The provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties to this Agreement, and their respective successors and permitted assigns.
  15. **No Third Party Beneficiaries.** OHA and County are the only parties to this Agreement and are the only parties entitled to enforce its terms. The parties agree that County's performance under this Agreement is solely for the benefit of OHA to assist and enable OHA to accomplish its statutory mission. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly, or otherwise, to third persons any greater than the rights and benefits enjoyed by the general public unless such third persons are

individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.

- 16. **Amendment.** No amendment, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both parties and when required by the Department of Justice. Such amendment, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose given.
- 17. **Severability.** The parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
- 18. **Notice.** Except as otherwise expressly provided in this Agreement, any communications between the parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, or mailing the same, postage prepaid to County or OHA at the address or number set forth below, or to such other addresses or numbers as either party may indicate pursuant to this section. Any communication or notice so addressed and mailed shall be effective five calendar days after mailing. Any communication or notice delivered by facsimile shall be effective on the day the transmitting machine generates a receipt of the successful transmission, if transmission was during normal business hours of the recipient, or on the next business day, if transmission was outside normal business hours of the recipient. To be effective against the other party, any notice transmitted by facsimile must be confirmed by telephone notice to the other party at number listed below. Any communication or notice given by personal delivery shall be effective when actually delivered to the addressee.

- 20. **Counterparts.** This Agreement and any subsequent amendments may be executed in several counterparts, all of which when taken together shall constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. Each copy of this Agreement and any amendments so executed shall constitute an original.
- 21. **Integration and Waiver.** This Agreement, including all Exhibits, constitutes the entire Agreement between the parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The failure of either party to enforce any provision of this Agreement shall not constitute a waiver by

that party of that or any other provision. No waiver or consent shall be effective unless in writing and signed by the party against whom it is asserted.

- 22. Construction.** This Agreement is the product of extensive negotiations between OHA and representatives of county governments. The provisions of this Agreement are to be interpreted and their legal effects determined as a whole. An arbitrator or court interpreting this Agreement shall give a reasonable, lawful, and effective meaning to the Agreement to the extent possible, consistent with the public interest.
- 23. Contribution.** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third-Party Claim, and to defend a Third-Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense, and settlement of the Third-Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third-Party Claim.

With respect to a Third-Party Claim for which the State is jointly liable with the County (or would be if joined in the Third-Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines, or settlement amounts. The State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

**Which Behavioral Health Providers are Required to Report in MOTS?**

The data collection system for the Health Systems Division (HSD) is the Measures and Outcomes Tracking System or MOTS. In general, behavioral health providers who are either licensed or have a letter of approval from the HSD (or the former Addictions & Mental Health Division [AMH]), and receive public funds to provide treatment services are required to report to MOTS. In addition to the general rule above, there are four basic ways to classify who is required to submit data to MOTS:

- (1) Providers with HSD contracts that deliver treatment services (this includes Community Mental Health Programs [CMHP], Local Mental Health Authorities [LMHA] and other types of community behavioral health providers); these programs should all have a license or letter of approval from the HSD or AMH;
- (2) Providers that are subcontractors (can be a subcontractor of a CMHP or other entity that holds a contract with HSD or OHA, such as a Mental Health Organization [MHO], or a Coordinated Care Organization [CCO]);
- (3) Providers that HSD does not contract with but are required to submit data to MOTS by State/Federal statute or rule; these include DUII providers and methadone maintenance providers; and
- (4) Providers that contract with other governmental agencies (e.g., Oregon Youth Authority [OYA] or the Department of Corrections [DOC] to deliver mental health and/or substance abuse services).

Note: Primary care physicians that provide a single service on behalf of the CMHP are not required to report the MOTS status or service level data.

If there are any questions, contact MOTS Support at [MOTS.Support@dhs.oha.state.or.us](mailto:MOTS.Support@dhs.oha.state.or.us).

It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by the Provider from and against any and all Claims.

**EXHIBIT J  
PROVIDER INSURANCE REQUIREMENTS**

County shall require its first tier Providers(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the Providers perform under contracts between County and the Providers (the "Provider Contracts"); and ii) maintain the insurance in full force throughout the duration of the Provider Contracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to OHA. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Provider Contracts as permitted by the Provider Contracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a Provider to work under a Provider Contract when the County is aware that the Provider is not in compliance with the insurance requirements. FOR THE FINANCING OF COMMUNITY MENTAL HEALTH, ADDICTION TREATMENT,  
RECOVERY, & PREVENTION, AND PROBLEM GAMBLING SERVICES**

**EXHIBIT K  
START-UP PROCEDURES**

**Addiction Treatment, Recovery, & Prevention, and Problem Gambling (Service Element A&D 60)  
Community Mental Health (Service Element MHS 37)**

**INTRODUCTION**

Start-Up funds are awarded for expenses necessary to begin, expand, or improve services. These expenses are distinct from routine operating expenses incurred in the course of providing ongoing services.

Start-Up funds are typically disbursed prior to initiation of services. Funds are used to cover costs such as employee salaries and training, furnishings and supplies, renovation of facilities under \$10,000, and purchase of vehicles and other capital items that will be needed to provide the services planned and delivered at the specified sites.

**Requirements for Start-Up Payment**

Payment of Start-Up funds is subject to the following requirements and any Special Conditions which are specified in Exhibit C.

**1. Basis and Method of Payment**

- a. Funds are paid for actual allowable expenses up to the limit specified for Start-Up. Allowable expenses for each service element are limited to those listed under Allowable Start-Up Expenditures in this Exhibit. OHA must approve payment for all Start-Up funds.
- b. After execution of this Agreement or any amendment(s) awarding Program Start-Up funds, County may request an advance of funds it anticipates using in the subsequent 120 calendar days.
- c. A request for payment of Start-Up funds may only be made using forms and procedures prescribed by OHA. Special instructions are applicable as follows:
  - (1) When OHA Start-Up funds in the amount of \$1,000 and above are to be used for purchase of a vehicle, as security for the County's performance of its obligations under this Agreement, the County grants to OHA a security interest in, all of the County's right, title, and interest in and to the goods, i.e., the vehicle. The County agrees that from time to time, at its expense, the County will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that OHA may reasonably request, in order to perfect and protect the security interest granted under this Agreement or to enable OHA to exercise and enforce its rights and remedies under this Agreement with respect to the vehicle. County must forward a copy of the title registration application showing Health Systems Division as the Security Interest Holder to OHA within 5 calendar days of the acquisition from the seller. File Security Interest Holder information as follows:

Oregon Health Authority  
Health Systems Division  
500 Summer Street NE, E86  
Salem, OR 97301

- (2) When County requests payment of Start-Up funds, the request must be made on forms prescribed by OHA.

## 2. **Special Written Approval Authorizations**

When using Start-Up funds the following circumstances require special written authorization from OHA prior to acquisition. These circumstances should be communicated to OHA within 14 calendar days of the anticipated acquisition date.

### a. **WHEN LEASING:**

- (1) Acquisition of real property, vehicles, or capital items pursuant to a Lease;
- (2) Acquisition of real property, vehicles, or capital items where another party, in addition to OHA, will also become a secured party (lienholder) at the time of acquisition; and
- (3) Renovations or alterations of real property where County is not the owner of the property and OHA has no security interest in the property.

### b. **OTHER:**

A change in the intended use of Start-Up funds or a change in the amount or date of anticipated acquisition indicated on County's request for payment of Start-Up funds, for those acquisitions requiring OHA's interest to be secured.

## 3. **Release of Payments**

Following review and approval of County's request for payment of Start-Up funds and any ancillary documentation, OHA will issue an advance of funds to County as applicable. These funds will generally be issued as a separate check on a weekly basis; however, requests processed in time for the monthly allotment process will be included in the allotment. The request for funds should be communicated to OHA within 14 calendar days of the anticipated acquisition date. Approval of special requests will be made on a limited basis only.

County will keep a copy of all Requests for Payment of Start-Up funds and report actual expenditures to OHA on the same form using procedures prescribed by OHA.

## 4. **Start-Up Expenditure Documentation Maintained by County**

County shall maintain an Expenditure Report for Start-Up payments. County also is responsible for requiring its Providers to comply with expenditure reporting requirements and furnishing evidence of filing OHA's security interest on applicable items. OHA may inspect these reports. The reports must include the following by service element:

- a. The amount advanced;
- b. The amount expended on each allowable category, and the amount expended on each item listed as required in Special Written Approval Authorizations above and pre-approved by OHA; and
- c. Copies of all Provider Contracts awarding Start-Up funds. Such Provider Contracts must require Providers to have executed dedicated use agreements and the other security documentation described in this Exhibit.

County must maintain supporting documentation for all expenditures (i.e., receipts).

**5. Expenditure Reports to OHA**

County must submit Start-Up expenditure reports separately for each OHA Start-Up request. Expenditure reports are due within 45 calendar days following the termination or expiration of the Agreement. County shall report actual expenditure of Start-Up funds, using forms and procedures prescribed by OHA, and forward expenditure reports to OHA.

**6. Recovery of Start-Up Funds**

In the event County fails to submit an expenditure report when due for itself or its Provider(s), fails to submit security interests, vehicle titles, or other instrument as required by OHA to secure the State's interest, or reports unauthorized expenditures, or reports under expenditures without accompanying repayment, OHA may act, at its option, to recover Start-Up funds as follows:

- a. Bill County for subject funds;
- b. Following 30 calendar days nonresponse to the billing, initiate an allotment reduction schedule against any current payments or advances being made to County; or
- c. Take other action needed to obtain payment.

**7. Dedicated Use Requirement**

Vehicles costing \$1,000 or more must be used to provide the service for which OHA approved the Start-Up funds. Dedicated use must continue for the useful life of the vehicle or five years whichever is less.

**8. Removal of Liens**

The following steps describe the process for removal of liens:

To release a vehicle title on which OHA is listed security interest holder, County or any of its' Providers, must make a request in writing to OHA. The request must specify why the vehicle is being disposed of and the intended use of any funds realized from the transaction.

If approved, the original title is signed off by OHA and forwarded to County.

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
