MEETING INFORMATION AND RULES

- Matters for discussion and consideration by the board shall be placed on an agenda prepared by the staff and approved by the board chair. Any commissioner may request items on the agenda.
- Public hearings are formal proceedings publicized through a special public notice issued to media and others. Public hearings held by the board are to provide the board an opportunity to hear from the public about a specific topic. Public hearings are therefore different regarding audience participation at board meetings.
- Commissioners shall be addressed by their title followed by their last name.
- Commissioners shall obtain approval from the chair before speaking or asking questions of staff, presenters, and public. As a courtesy, the chair shall allow an opportunity, by the commissioner who has the floor, to ask immediate follow-up questions.
- A majority of the board shall constitute a quorum and be necessary for the transaction of business.
- All board meeting notices are publicized in accordance with public meeting laws.
- All board meetings shall commence with the Pledge of Allegiance.
- The chair will utilize the gavel as needed to maintain order, commence and adjourn meetings, and signal approval of motions.
- The board reserves the right to recess to executive session as may be required at any time during these meetings, pursuant to ORS 192.660(1).
- The courthouse is accessible to persons with disabilities. If special accommodations are needed for persons with hearing visual, or manual impairments who wish to participate in the meeting, contact (503) 842-3403 at least 24 hours prior to the meeting so that the appropriate communications assistance can be arranged.

PUBLIC COMMENT

- Providing public comment is an opportunity for constituents to be heard and express their views to the board.
- The board allows public comment at board meetings during the public comment period designated on the agenda.
- Comments are limited to one per person and per agenda item.
- Comments must be related to the agenda item(s) previously registered to comment on.
- The allotted time for public comments is two minutes per person; this time may not be allotted to another speaker. The chair may, at their sole discretion, further limit or expand the amount of time.
- The public comment opportunity is not a discussion, debate, or dialogue between the speaker and the board, which may or may not respond.
- Members of the public do not have the right to disrupt the meeting; the board may prohibit demonstrations such as booing, hissing, or clapping.
- Remarks containing hate speech, profanity, obscenity, name calling or personal attacks, defamation to a person, people, or organization, or other remarks the board deems inappropriate will not be allowed.
- Failure to follow all rules and procedures may result in not being able to provide public comment and/or being removed from the meeting.

In-Person Procedures

- Sign in before the meeting begins and indicate your desire to provide public comment and which agenda item you would like to comment on. When your name is announced, please come forward to the table placed in front of the dais and for the record, first identify yourself, area of residence, and organization represented, if any.

Virtual Procedures

- Register by sending an email to publiccomments@co.tillamook.or.us by 12:00 p.m. on the Tuesday prior to the board meeting. The email must contain all of the following information:
 - Full name, area of residence, and phone number.
 - Agenda item(s), you wish to comment on.
- Once registered, and before the start of the meeting, board staff will email a Microsoft Teams meeting link.
- When logged in to the meeting you must remain muted with your camera off until your name is called, then you unmute and turn on your camera.
- The chair may require those providing virtual comment to turn on their camera while providing comment or testimony.

Project is authorized under the following category (see "Allowable Uses" attached):

- 1. Activities under the Firewise Community program
- 2. Search & Rescue and other Emergency Services on Federal forest lands
- 3. Training & Equipment Purchases directly related to Category 2
- 4. Develop & Carry Out Community Wildfire Protection Plans

PROJECT LOCATION: County Wide

Other Identifiers (Geographic location, Road name or number, Stream name):

PROJECT DESCRIPTION: Enables landowners to create their own defensible space while providing a service at a zero cost to remove fuels from around their homes.

PROJECT GOALS AND OBJECTIVES: Goal of the project is to provide an opportunity to remove fuels and dispose in a manor other than burning during a heighten fire risk. Another goal of the project is to use the principles of the Firewise Communities program and the Tillamook County Community Wildfire Protection Plan (CWPP) as a basis to work from. Another goal of the project is to promote the Firewise Communities program through education, outreach, and prevention. The final goal is to revise and update the Tillamook County CWPP.

Is there an opportunity to tie this Project to an associated Title II Project? Explain: No

Proposed Method of Accomplishment:

- Contract
- Volunteers
- Agency (ODF) Employees

TILLAMOOK COUNTY

- County – David McCall – Tillamook County Solid Waste
- County Corrections (Adult or Juvenile)
- Non-Profit Organization
- Other: Tillamook County Homeowners

Current status of project preparation: Completed

Contact person(s) and title for project-specific documentation: David Helmricks

Contact's telephone number: 503-842-2545

How does Project meet the purpose of the Legislation? Helps by reducing the number of fuels around and near homes within the county and near Federal lands. Focusing on the use of the principles of the Firewise Community Program and in conjunction with the Tillamook County CWPP. The project will be an investment in the rural community to help in maintaining healthy communities from wildfire. Also, the Tillamook CWPP will be revised and updated.

How does the Project benefit your Community? The project will benefit the community by giving the homeowners a way of disposing their yard debris in a safe manner and reduce nuisance smoke. It provides an opportunity before and during Fire season and the County wide burn ban that happens every year during the heighten fire danger. It will also benefit the community by reducing the amount of yard debris pile burning prior to, during and after fire season and the amount of possible hold over fires. The project will also use the Firewise Community Program principles to reduce the number of fuels around homeowner's houses and properties to help improve their defensible space from wildfires. The project will also help educate and engage members of the community in fire prevention and defensible space while using the Firewise Community Program.

How does the Project improve cooperative relationships among people who use Federal lands and the Federal Management Agency? It will help improve the relationships by reducing the amount of time and effort of resources having to focus on protecting homes and structures in the case of a wildfire that was started on Federal lands or that on private lands that spread to or from either property.

Anticipated cost of the Project (itemize):

- Review and Consultation Costs: \$n/a
- Engineering Costs: \$n/a
- Contact Preparation and Administration Costs: \$n/a
- Materials and Supplies: \$1,000 Debris Voucher Printing;
\$2,000 Prevention & Education Materials

TILLAMOOK COUNTY

- Monitoring: \$n/a
 - Other Costs: \$500 Home & Garden Show Booth rental; \$500 Fair Booth rental; \$89,500 Debris Collection Fees
 - Indirect Costs (overhead): \$2,500 Home & Garden show; \$5,000 Fair Booth
- TOTAL COST ESTIMATE: \$101,000

ESTIMATED START DATE OF PROJECT: August 1st, 2022

ESTIMATED COMPLETION DATE OF PROJECT: December 31st, 2022

TOTAL FTE: 1 in kind

Identify sources of other funding for Project (including amounts): Oregon Department of Forestry will be providing the funding for most of the other overhead cost except for the cost that will be used during the Home & Garden Show and Fair Booth

Expected project accomplishments and/or outcomes: To reduce fuels around homes within the county and near Federal Forests from the threat of wildfires spreading to or from private landowners or Federal Forests. An expected outcome is to engage homeowners in Firewise Community program and create defensible space through education and prevention.

Explain how the Project will create or produce a benefit to the Federal resource: To reduce the number of fuels near or around homes to prevent the spread of fires from private homeowners' property or the spread of fires from Federal Forests to private homeowners property. The fuels reduction will be focus on the principles outline within the Firewise Communities Program and the Tillamook County CWPP.

Describe the monitoring and reporting plan to measure outcome (What measure or evaluation will be made to determine how well the proposed project meets the desired objectives?): After each 7-month period, we will report back with the total tonnage that was brought to the transfer stations, the number of debris vouchers and homeowners that used, and the total cost of the program. Also, we will be providing home assessments to homeowners upon request and documenting the number and location of these that are conducted.

Other comments: This program was successfully funded during the years of 2013-15 and 2018-2021. We worked with David McCall at the Tillamook County Solid Waste Department and the three-transfer station during the multiple years. The program brought in almost 800 tons in 2013-2015 and 2,500 tons in 2018-2021 of yard debris from around the county. We have had a lot of the community support with the program and statements saying that this is a great program for the county. The project provided an easy way for homeowners to easily dispose of their yard debris. Also, it provides an easy avenue for

TILLAMOOK COUNTY

education, prevention, and outreach opportunity focusing on the Firewise Community program and the Tillamook County CWPP.

If a grant is awarded, I understand that the grant funds will be on an expense-reimbursement basis only after County's receipt and approval of all invoices and project reports outlining expenses incurred. EW (initial)

RE: State Dredge Spoils License 63746-SG

Shemia Fagan
Secretary of State

Dear JoAnn:

Attached is a copy of State of Oregon Dredge Spoils License 63746-SG for your review and acceptance. Now that you have received the enclosed copy, please complete the following steps:

Tobias Read
State Treasurer

1. **Read the license document carefully** to ensure that you understand all of the terms and provisions of the license. If you have any questions concerning the content of your license, please call us. You may also wish to consult with your attorney.
2. **Fill in the information required** under Section 28 "Notices" of your license; **sign, date, and notarize** the license where required.
3. If you have not already done so, **call your insurance agent or broker** and ask him/her to provide you with a certificate of insurance proving that you have insurance per Exhibit B. Please note that you must have your insurance agent or broker **indicate on the insurance certificate that the State of Oregon is an additional insured** on your policy, referencing your license number 63746-SG.
4. **Send the signed license and proof of insurance in a single envelope to my attention via standard mail or to dario.frisono@dsl.oregon.gov to return them electronically.** Also, please write the license number on the outside of your envelope, below your return address if you send via standard mail.
5. **We must receive your signed license and proof of insurance within 30 calendar days of the date of this letter.** If for some reason you are unable to meet this deadline, please contact us.
6. You will be required to report all material taken from the premises on a monthly basis as stated in Section 6 of the license.

When we receive your license and proof of insurance, we will have the document signed by the Field Operations Manager, and will return a fully executed copy to you for your records.

Sincerely,
