Subject: Behavioral Health Crisis Care System Implementation – Mobile Crisis Funding via CFAA Amendment

The Oregon Health Authority is distributing funds for Mobile Crisis Services appropriated under HB 2417 to Community Mental Health Programs in CY 2022 via CFAA amendment under MHS 37. No later than Oct 15, 2022, CMHP must submit to OHA, CMHP's plan, timeline, for establishing community based mobile crisis intervention services in their catchment area. No later than October 30, 2022, CMHP must submit their budget to OHA for establishing and operating community based mobile crisis intervention services in their service area. This plan must comply with the parameters set by OHA and released to CMHPS. The parameters are based on CMS requirement and recommendation from the Crisis System Advisory Workgroup. Availability of additional funds for mobile crisis services to CMHP is contingent on OHA's review and approval of the above plan.

Only those CMHPs who submit their start-up form to OHA, can draw down the SE 37 fund in 2022. The start up form must show what the CMHP plans to use the SE 37 funds for. CMHP must also inform OHA no later than October 15, 2022, if the CMHP anticipates not being able to spend any amount of the SE 37 funds appropriated for community based mobile crisis intervention services in 2022, so that OHA can adjust CFAA fund in CY2023 to accommodate the unspent funds. Starting from 2023, the funds will move to SE 25 and will be available every biennium following CFAA schedule.

We look forward to partnering with you to provide this much needed service to Oregonians. If you have any questions about the funding opportunity, please contact:

Dear Mr. Criteser:

As we begin to prepare for the Association of Oregon Counties' annual conference this, year we would like to let you know that we always appreciate the privilege of serving and promoting Tillamook Cheese at the "Taste of Oregon" event. At this conference, all participating counties in Oregon are given a table to show off the best quality products their county has to offer. There is friendly rivalry about who has the best products. Each year, those who attend the event tell us that Tillamook Cheese is their favorite.

This year the conference will take place in Eugene from November 14-18. We anticipate 200 to 250 people will attend the "Taste of Oregon" event and we would like to continue offering Tillamook Cheese.

If the Creamery is able to donate again this year, we would be very appreciative and will submit a donation request online and work with your staff so that we can continue to help spread the fame of your products throughout Oregon.
