APPENDIX D

TILLAMOOK COUNTY

REQUEST APPROVAL FORM TO UTILIZE EMPLOYEE/AGENT
PRIVATE VEHICLE FOR COUNTY BUSINESS
APPROVAL REQUIRED PRIOR TO USAGE OF PRIVATE VEHICLE

Destinations:

TO: Portland Airport FROM: Tillamook Library

I request approval to use my private vehicle on 10/1/2023 to 10/31/2023
for Tillamook County business purpose of:

Travel to and from Portland Airport to attend
ABOS conference

Reason for using private vs. County owned vehicle is:

No vehicle provided

I am () am not () requesting mileage reimbursement. Insurance terms remain the same
whether or not mileage payment is requested. This form must accompany the
reimbursement request.

Personal or Private Vehicle Liability. If you authorize your employees/agents to use a personal
or private vehicle on County business, he/she is responsible to carry the minimum liability insurance
required by law (must provide proof before department head/designee approval). If employees operate a
personal or private vehicle on County business, their personal liability insurance policy is primary and
County coverage is excess. If the amount of liability to third parties exceeds their private policy limits, the
County will provide excess liability coverage.

The County does not cover collision or comprehensive insurance for personal vehicles. When utilizing a
personal vehicle for County purposes, the employee/agent is 100% responsible for collision or
comprehensive damage incurred to the vehicle.

The rationale of having County employees/agents complete a vehicle usage form is for their own
knowledge pertaining to County vehicle coverage, and liability protection from the County. Plus, the
signed form may give their department head/designee a heads up as to who will be using their own vehicle
on County business and committing department funds when claiming reimbursement for personal vehicle
mileage. The signing of the personal vehicle usage document will inform the County employee/agent that
their insurance is the first to be used in the event of a vehicle accident. Each department should keep a
copy of the signed form on file.

If involved in an accident while on official County business, I will advise the Human Resources
Department within twenty-four (24) hours by calling 503-842-3418.

Savings may apply when you buy checked bags online at least 24 hours before departure.

These amounts represent an estimate of the service charges for first and second checked bags that apply to your itinerary. If your itinerary contains multiple travelers, the service charges may vary by traveler, depending on status or membership.

If you're a baggage subscription holder, you're eligible to waive the service charges for first and second checked bags as long as they don't exceed the size and weight limits. You must be a current baggage subscription holder at the time of check-in. This applies only to United- and United Express-operated flights and when you check in your bags with United.

If you're an active-duty member of the U.S. military or an accompanying dependent, service charges for first and second checked bags don't apply when the flight is operated by United or United Express.

For more information, view the rest of the information on the [Checked Bags page](#).

11:45 AM - 1:45 PM, Oct 9

Chocolate Ballroom (Nigeria/Trinidad rooms)

Buffet lunch (included with registration) Join us for lunch and then Kathy Stokes from AARP will speak. Fraud criminals steal billions of dollars from millions of US consumers every year. The impact is too often financially and emotionally devastating, especially for older adults who are at a time in their lives when they are least able to recover financially. Magnifying their devastation is something that victims of other crimes don't typically experience: blame and shame. This presentation focuses on changing the victim-blaming narrative with the goal of transforming how our nation responds to the growing fraud epidemic.
